Lucifer's New Aeon

We are going into a new aeon, the Age of Aquarius. Aquarius is the 11th sign of the Zodiac.

This is the "Aeon of Satan." Here are some of the signs:

- 1999, inverted, is 1666 [one-666]. $666 \times 3 = 1998$.
- 2000, in numerology is number 2; 11, [1+1=2] Two and eleven are important numbers of Lucifer.
- 2000 was Year of the Dragon [the Dragon is one of the symbols of Satan that represents the kundalini serpent that gives wisdom, knowledge, enlightenment, and power] which marked the commencement of the 21st century.
- $666 - 6 \times 6 \times 6 = 216$. 2,160 years is the approximate time it takes for the synetic vernal point to travel backwards from one constellation to another. Aquarius, the sign of a man [the water bearer] represents the coming new age where humanity will advance. Ea/Enki also known as Satan is symbolized by the Water Bearer of Aquarius.

The Gods placed much emphasis on the movement of the planets, stars, and constellations. They left images in stone, as can be seen in the Egyptian Sphinx, which was constructed during the age of Leo [10,500 years ago]. The scarab, representing the ancient Egyptian sign of and the Age of Cancer, the rows of ram's heads [Age of Aries] and the monolithic sculptures of the twins [Gemini] are seen in numerous places throughout Egypt and Middle East.

In 1962, the planets lined up- Sun, Moon, Mercury, Venus, Mars, Jupiter, and Saturn all in the sign of Aquarius and ushered in the computer age, which emerged worldwide 28 years later following the Saturn cycle. Technology has advanced at an unprecedented pace in the past century.

Atheist, Dr. Madalyn Murray O'Hair succeeded in removing the Judeo/Christian bible and compulsory prayer from the public schools in 1963.

Anton LaVey established the first above ground Church of Satan on the Eve of Beltane, April 30th, 1966.

During the late 1960's the Catholic Church, which is the original Christian church and the foundation of Christianity, began to crumble. Catholic nuns and priests gradually shed their vestments. Today, the wearing of formal vestments by the Catholic clergy in many parts of the world, especially in the United States is rare. The Catholic clergy has dwindled to where the lay people have been taking over the former duties of Catholic priests and nuns. The remaining priests, most of whom are aging, are being exposed and brought to justice for the sexual abuse and exploitation of children and other revolting crimes that have occurred for centuries. The resulting lawsuits and scandals are breaking the Catholic Church.

The Protestants have their share of crimes against humanity as well. We are now in the age of information and communication, which will result in many of these Christian sects being exposed along with the Catholic Church.

The 1970's band "Black Sabbath," paved the way for heavy metal, death/black metal. The metal scene openly blasphemes the Christian "God" and Satanic lyrics are very popular, especially among the youth. This music is an expression of pent up rage. Look around you- Satanic music, movies, books, role playing games, video games, the internet with thousands of Satanic websites, Satanic t-shirts, Baphomet jewelry, and more. Satan is becoming very popular. Satan definitely has the youth, as Satan reveals the truth. "Satan" in Sanskrit, one of the world's most ancient languages, means "truth." The kids are fed up with being lied to.

During the 1990's, thousands of Christian churches were burned worldwide. The Christian churches are rapidly losing their credibility and their reputations, and as a result, many followers are lost and looking for answers. The Christian religion was built upon murder, lies, injustice, and appalling crimes against humanity and it is now facing the consequences. Knowledge is readily available and the lies and promises of these programs, passing themselves off as "religions" are no longer effective as they once were.

In the Al-Jilwah, Satan states that those who are without "do not know the state of things that is to come. For this reason, they fall into many errors." We are reaching the end of the age of Pisces. It has been written that in the end, the truth will come out and many will want to join at the last minute, but it will be too late to do so.

Yaweh/Jehova, the REAL "Prince of Lies" is not going after the small stakes, because he has had the Judeo/Christian/Muslim programs for centuries. The bible bangers are in for a rude awakening.

Why is There Suffering in the World?

Satan Gives Answers

[Added February 2015]

Unlike those so-called "Gods" that are false and worshipped by followers of the enemy programs, Satan gives us wisdom, knowledge and sensible answers. Christians and Muslims, being as deceived as they are, are at a loss to explain.

Most people wonder why there is so much suffering, misery and ugliness in this world. Thousands of years ago, there was a time called "The Golden Age." It was a time of peace, prosperity and happiness. Humans in those days lived hundreds of years. Our Gods were with us as well. Ever since the coming of Christianity and Islam, everything beautiful and positive turned to ugliness and destruction.

Now, most of you here are familiar with the powers of the mind and soul and meditation. I remember many years ago when I was still an atheist, I was reading a book on chakras and the book instructed to "look" at each one of your chakras, of which I did and I got a shock that nearly knocked me off of the sofa. That freaked me out. Now, this was a result of focusing my attention. Most of you have had spiritual experiences where you have had similar occurrences. Just focusing on a chakra or another area of your soul and you find it is a very intense experience.

I wrote about this part before, but just look around you, everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea. This right here reveals the importance of one's thinking and one's mind. Those of you who have been meditating for any length of time know how important it is to try to focus on positive things, as focusing on destructive thoughts, needless worry, and negativity, with a strong mind and soul one will attract this.

The average person who does not meditate and who has a much weaker mind, where most thoughts tend to dissipate, alone does not have much power, but when combined with the mass mind of millions of other people who are focusing along the same lines, then thoughts do have much more power. I came across a book some 20 years ago [I can't remember the name of the book or the author], but I read it and the author had a technique where she could place her hands upon a book and subliminally absorb all of the information in that book. I also heard of where the same can be done in learning a foreign language. Most of you are familiar with the US \$20.00 bill and the 9-11 incident. I also wrote of this and how the "Holy Bible" factored in, as even more prevalent than the \$20.00 bill,

there is a bible in nearly every home, in hospitals, hotel rooms, and in many other places.

Psychiatrists, psychologists and others who work with the human mind give certain tests like the Rorschach Ink Blot tests to probe into the minds of patients in order to ascertain what they dwell on and to determine their psychological make-up. Most people will see things in these ink blots according to what their own experiences in life have been and how they think, and what they dwell on.

Now, again, most of you here are even somewhat aware of the extent of the extreme negativity, and this is an understatement, contained in both the Bible and the Koran. In reading through scriptures for reverse Torah rituals, the curses against humanity are prolific to where one can't even begin to count them all. Curse after curse, after curse and the damnation and the most utter debased depravity. One does not have to read the Bible or the Koran cover to cover to be influenced by or to tie into the most hideous energy contained therein. Just focusing on this is enough, and by focusing, I mean attending church, and of course, Muslims "pray" 5 times a day, facing east in the direction that with the gravitational pull of the earth, amplifies energies.

So, just how much energy has been put into and is still being put into such extreme destruction and negativity? This has influenced this world and everything in it. Much of the populace is steeped in it, though lifetimes. One individual alone doesn't have too much power, but how about tens of millions? Most people aren't even aware of the subliminal. I like to do crossword puzzles and in nearly every book, they have the biblical crap. In other words, this is supposed to be common knowledge.

Wonder why there is so much fighting and family break-ups?

Luke 12:53

The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21

"Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death.

[This one is a given with Jewish communism, where many children were brainwashed into turning their parents over to the so-called "State" to be put to death].

Matthew 10:35

For I have come to turn "a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law-

The above is only a very small portion of where human focus and energies have been going for centuries. It doesn't matter whether a follower has read the Bible cover to cover or is even familiar with its contents [as most people who follow such depravity are not], he/she still connects with the energy and with more available information regarding the human mind, one can see this is a fact. What one thinks, believes and the energies one ties into and identifies with determines what one is and where one is going in life. In addition, even those who reject the Christian and Islamic programs or who are non-believers are affected, as the mass mind is powerful enough to influence the world. The mass mind is more powerful.

Both with Christianity and Islam, the focus is on suffering and death. Followers live for their death. The filthy parasitical worthless Nazarene is worshipped - torn, ragged, beaten and bled dry...deader than a doornail. DEATH. Every mass/church service focuses on the death of that Nazarene. Then, of course the cannibalism "Eat me" "Drink me, " as this creates the necessary ties for Jewish ritual murder to succeed where they take an abducted Gentile child into a secret back room of a synagogue and proceed to butcher him/her after tying him/her to a cross in simulation of that Nazarene and then drink his/her blood. The foundation for this is in Deuteronomy- the book of instructions on how to carry out living blood sacrifices. The Jews even openly claim it as such as to their Torah.

I have also written about poverty. Poverty is a world-wide serious problem that has resulted in the deaths of millions over the centuries and has ruined many lives.

Matthew 6:24

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

[MAMON (MAMMON): Mishnaic Hebrew and Aramaic for "riches." The word itself is given in the Sermon on the Mount.]

<http://www.jewishencyclopedia.com/articles/10339-mamon-mammon>

Also note the above scripture, the number 6 is emphasized again. 6 and the $2+4=6$. The Jews always use the number 6. through this, they direct the energies into slave labor for Gentiles and of course, their own wealth and riches. The Bible dupes Gentiles into accepting poverty and living for their death, while the Jews who created this work of degeneracy and filth know better. Wealth and power is concentrated in their hands.

Matthew 19:21-26

21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me.

22 But when the young man heard that saying, he went away sorrowful: for he had great possessions.

23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven.

24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God.

Mark 4:19

19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.

Proverbs 23: 4-5

4 Labour not to be rich: cease from thine own wisdom.

5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven.

Ecclesiastes 5:10

He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity.

Proverbs 11:4

Riches profit not in the day of wrath: but righteousness delivereth from death.

2 Corinthians 9:7

Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

Matthew 6:19-21

19 Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

The above is only a small sample of indoctrination into a lifetime of poverty. This in many cases persists into many lifetimes as it clings to the soul.

In the verse below, the suffering of innocent children is encouraged:

Matthew 19:14

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.

There was a man who both encouraged and participated the murdering of "witches." That man was reported to have read the "Holy Bible" some 53 times. It is no wonder he displayed a murderous bent. When one worships murder, one becomes a murderer.

Below is a sampling of the endless murders committed by Yahweh/Jehovah in the Bible. This is praised and extolled by Christians incessantly:

Killing Event Reference Bible's Number Estimate:

- The Flood of Noah- Genesis 7:23, an estimated 20,000,000 murdered

- God killed 27,000 Syrians by making a wall fall on them 1 Kings 20:30 27,000 murdered

The endless list goes on endlessly. Steeped in bloodthirsty heinous murder. The subliminal message here is MURDER.

The above was taken from:

Dwindling in Unbelief

<http://dwindlinginunbelief.blogspot.com/2010/04/drunken-with-blood-gods-killings-in-bible.html>

The above website has many more examples. The listing I included in the above is very small.

There is no need to elaborate on war here. That filthy bible is full of wars, injustices, famine, endless savage cruelty and a hatred for humanity. This is celebrated with hijacked Pagan holidays, singing for the damnation of humanity, worshipping, focusing and giving copious amounts of energy into promoting suffering, loss, death, misery and pain. This is soooooo obvious. As I already mentioned, when doing some research for reverse torah rituals, the amount of direct curses aimed at humanity was so extensive I didn't even know where to begin and with Lilith's direction, picked out the most blatant ones and there were also plenty of those.

We are what we think about and dwell upon. This is where the mass mind has been for well over two thousand years. It is no wonder there is so much pain and suffering. There is your answer.

The Truth About Satan's Power

I don't know how many times I have heard Christian claims concerning the Nazarene or his angels banishing Satan from an area or "Casting out Demons." My own opinion regarding this is the "Demons" aren't really "Demons" but angels impersonating what Christians believe to be "Demons." Why? Because it makes Satan appear to be under the control of the Nazarene and in many cases frightens those who lack knowledge. Fear is used by these nefarious programs for control.

I was watching the movie "The Exorcist." For those of you who are unfamiliar with this 1973 flick, the plot concerned a 12-year-old girl who was possessed by the Mesopotamian Demon "Pazuzu." This movie topped the charts for years, designated as the ultimate in frightening the public. There have been few actual claims concerning cases of "possession." Accounts included sketchy reports of victims "vomiting objects" and performing other senseless acts.

Everyone knows souls are important to Satan; humanity is his creation. When we dedicate our souls to Satan, we become a part of a massive vortex of energy that we can tap into to accomplish our desires and objectives. This additional energy not only benefits humanity, but also benefits Father Satan and the Original Gods, and gives everyone concerned more power. [The Christian churches have exploited souls and their energy for centuries]. Now, as we know souls are important to Satan, why would he or his Demons do anything to frighten people away, or make people try to avoid him at all costs?

When looking at this analytically, one can see the truth, as there is a motive behind nearly everything. The only motive here is the greedy entity Jehovah and ilk frightening ignorant human beings back into his energy bank of souls. [This Jehovah character is really enemy extraterrestrial Greys and enemy Nordics, not an individual entity]. Of course, Satan and his Demons are blamed as usual. Since Christians are forbidden to practice any magick or become knowledgeable about the occult, this ends with Jehovah and ilk having a full supply of energy all to themselves to use as they see fit. The Greys call this amalgam of energy "The One."

For people who use the traditional methods of summoning spirits as instructed in the popular grimoires, which use the names of Jehovah and his angels, how do they really know exactly who or what they are contacting? Everyone I ever heard from who went through Satan directly to summon a Demon respectfully, has had positive experiences. I know I have.

The followers of the Christian "God" and his foul Nazarene are forever crowing that this entity has power over Satan. In reality, this is not true.

When I was new to Satanism, [this was before I performed the initiation rite], I experienced much confusion. I was very upset one night and COMMANDED the foul holy spirit of Jehovah to leave my body forever IN THE NAME OF SATAN/LUCIFER. I felt a weak, battered energy leave me through my feet. Afterwards, I felt a deep sense of peace, and much of the confusion and turmoil I was experiencing was gone.

When I was twelve years old, Satan came to me in a Catholic Church, when an important Christian sacrament was being performed. The Christian "God" was powerless to stop him. Satan had the spiritual authority to be there. On the other hand, I will bet one will never see Christian entities visit a Black Mass.

A couple of years ago, I initiated a friend in a city park around 4 am, because there was no privacy for a religious rite at home. Driving there, she was fearful and hesitant about dedicating her soul to Father Satan. When I was reading the prayers, afterwards, she told me, she saw a foggy white apparition that was an enemy spirit. Some Demons promptly appeared and chased it away. These Demons I might add were on the lower end of the Demonic hierarchy. They were the ones with the red eyes, gargoyle like with rubbery wings. This order of Demons mainly carries out tasks as messengers and protectors. I saw them quickly clear the path when Azazel approached the area they were in, out of respect. It didn't take much to get rid of the enemy spirit, afterwards, my friend felt much better.

In the biblical tale where Satan approached the Nazarene in the desert, HE DID NOT APPROACH HIM AS AN EQUAL, BUT AS A SUPERIOR. One does not worship an equal or a lesser being. Satan's offering to the Nazarene, right there, blatantly indicated that he had much more power than the Nazarene fool. He talked down to the Nazarene. Most Christians are fearful of Satan. Satanists can blaspheme foul Jehovah, his worthless "holy spirit," and his pedophile son,* but few Christians will actively invite the wrath of Satan. Many are even fearful of us- so much for their faith in a cowardly impotent "God."
-High Priestess Maxine Dietrich

*We believe the Nazarene to be a fictitious character, created from various myths and legends predating Christianity from hundreds to thousands of years. The sole purpose of this entity is to create a distraction. Unknowing followers are fooled into believing "Jesus Saves" when in truth, we save our own souls. Human beings have the power to heal and perform many other spiritual feats dubbed as "miracles." The Nazarene has been used over the centuries to strip humanity of all spiritual power and knowledge. This has placed humanity as a whole at the mercy of advanced enemy beings to be viciously exploited and victimized. A weak soul not only experiences physical illness, but also is spiritually a pawn both in the hands of fate and in the hands of the enemy [The Christian entity and ilk].

The All

Many people who call themselves "Satanists," and this particular point of view is very strong in the Church of Satan, believe they are already "Gods." Some people even go as far as to claim that humanity is "God."

Well, "God," then why is humanity in such a mess? Do you know your future, EXACTLY? What will happen tomorrow or a year from now? Can you accurately foretell the futures of your loved ones? Do you have the power ALONE to determine your own destiny? Can you heal yourself? Can you stop yourself from aging or from feeling pain? Can you move or levitate physical objects or yourself for that matter? Can you control the results of the actions and the decisions you make?

Thanks to Father Satan, we all have within ourselves the ability to achieve Godhead, but how many people REALLY know how? Extreme discipline and dedication are required every day.

Unfortunately, humanity misses the boat in this matter. Most humans, thanks to Christianity and related programs are at square one. Few people have enough REAL knowledge and power to determine their own destinies by themselves. Once a decision is made, or an action is taken, one has no real control over the outcome. We can often choose our actions, but not the results of those actions. We are also at the mercy of the actions and reactions of others, of governments, acts of nature, our physical selves, and so forth.

Most people have not empowered their third eye, crown chakra and other psychic centers to see and experience the astral realm and the beings that dwell therein. There is much we do not experience through our five senses that directly influences our lives and the world around us.

As a professional Astrologer, psychic and Tarot card reader for over 25 years, I am VERY familiar with "fate." An atheist walks a very lonely road; I did so for 15 years. Although I practiced mind training and attempted to influence matters by myself, the results were always less than what I had expected. Fate always intervened in one way or another. A friend of mine, who was also into the occult; we got to talking one day- "well, why is it that things are hit and miss?" There was no explanation... "we don't know." He was an atheist as well. Life was meaningless and unpredictable. Futility and depression were always on our tails so to speak. Oh, I fought back and hurt some of my enemies on sheer willpower and mind control alone, but this did nothing to improve my life, other than provide me with some pleasure in knowing that they got what they deserved.

I don't know how many times, we hear the word "force." There are many different "forces." Light is a force, composed of tiny particles called photons. Then we have x-rays, gamma rays, infrared rays, and so on. An earthquake or volcano, or

tornado, generates a tremendous amount of "force." Then there is the "life force," also known as "bioelectricity," this is also a "force." These "forces" do not think, feel, have emotions, or make decisions by themselves. A "force" is impersonal. No "force" is a separate living being with reasoning, emotion, decision-making capabilities, nor does it act in various manners according to conscious choosing by itself. Any idiot with even a vestige of extra-sensory ability knows Satan and his Demons are not "forces" but are real beings.

Here I sit, dumbfounded again. Two Days ago, my eldest son came to me worried sick. He lost his job unjustifiably over two months ago [the manager who canned him is REALLY paying for this, Thank you, Father Satan!!]. He is thousands of dollars in debt and making only half of his former salary. It was early in the morning, after 7 am [we both work third shift]. Needless to say, I was worried sick- utility shut offs, etc. I got down on my knees before the altar I made for Father Satan; I was still in my street clothes. I asked him to help and told him I trusted him to work it out in his own way. My son now has several thousand dollars cash in his hand, more than enough to pay all of the bills in full. All of this was obtained legally, with no payback expected.

The first book I read about Satanism was the Satanic Bible. I did this out of extreme upset that Christians had caused me. Where can I get away from these totally inconsiderate and harassing idiots?? I was still an atheist. One night on the internet, while visiting a Satanic website, I read- "light a candle, sit and ask is Satanism for me?" I was an atheist, I didn't light a candle, I just said it in my head. Things started to change all right. Over this time period, Satan has worked to establish a strong, trusting relationship with me. Satan is NOT "just a force." He is a very compassionate, caring, loving, and benevolent being with those who are dedicated to him.

Satan has shown me love; He is the only one I have found whom I can totally trust. I have seen his miracles. He has calmed me when I was upset, and has comforted me. I have felt his beautiful love. I came home chilled one morning. I had to walk home from work in the mornings, which was about a mile and the temperatures in the winter were well below zero, along with a harsh wind-chill. This was nothing new. Going to sleep normally, I would warm up gradually. He put a warm aura all around me, head to toe as I was going to sleep and I felt his warmth and love. I have had so many experiences; too many to mention here.

Satan is a literal being; he is NOT a "force." There are very highly evolved beings in this universe, they are known to us as "Gods."

Under the direction of Yaweh/Jehova, knowledge of the original Gods and the methods for humanity to achieve equality with the Gods was destroyed. Many ancient libraries, millions of scrolls, tablets and books were burned. The Christian church has worked overtime at suppressing the truth, through intense indoctrination and through resorting to torture and mass murder when

proselytizing and coercion failed. Humanity is nowhere near Godhead. These nefarious human-hating programs for enslavement have prevented us from evolving in the area of mind ability and power. Most extra-terrestrials are highly adept as they were born this power already manifest.

Very few people have the ability to manipulate their environments using only the powers of their mind. The human race is at a major disadvantage that renders us helpless against other beings and entities that are highly evolved and adept in the uses of the powers of their minds and souls.

These skills can only be achieved through guidance from Satan and his Demons who are the original Gods. We all have a long way to go.

What really upsets me is how many of our own people treat our God, Satan. We have the strongest, most beautiful, loving, generous, and caring God there is.

Christians create beautiful churches, cathedrals, sing beautiful hymns, Muslims bow down before "Allah" 5 times a day, Buddhists construct beautiful elaborate temples, worship and burn incense. What do these "Gods" do? The Christian "God" shits on all of his followers, as does Mr. "Allah." Buddha does nothing. In addition, worshippers, especially Christians and Muslims focus their energies upon death and tie into very ugly, murderous and destructive negative energy that has acted to damn all of humanity and this earth as a whole.

Here we have with Father Satan- many psychically incompetent people claim, "Oh, he's just a force." We have very little praise and thanksgiving rituals. It's always me, me, me! I want this! I want that! People receive things of which they ask from Satan and they never even stop to say thank you. They foolishly make demands and commands. These teachings come from the old Judeo/Christian authored grimoires that have been for centuries, advocating spiritual abuse and promoting extreme disrespect for Satan and his Demons.

Some fools go as far to try to "conjure" Lucifer. Some ignorant next to nothing in importance, tries to summon him like a servant to fix a sorry love life. This extreme disrespect has gone on for centuries. Like the character in the movie, "The Ninth Gate" said- "Orgies of aging flesh, conducted in the Master's Name."

On a video tape of an Anton LaVey ritual, a woman rubs her genitals on a religious icon. Anyone who calls himself or herself a Satanist should be long past acting out sexual hang-ups. Save the orgies for afterwards.

Satan appeared to a journalist in 1960 and stated that he did not like the way he was being worshipped. He went on to mention "a lunatic in his basement with the shades down." He stated that he had already won the fight for the earth. There are things that need to change in the way people relate to him. He and the

Demons have been subjected to such insulting and disrespectful treatment that has gone on for centuries. "Oh, he's just a force."

As for those people who believe they are already "gods" and do little or nothing to empower themselves," try doing your magick as a total atheist, by yourself. I find it so hypocritical how so-called "Satanists" who refuse to acknowledge Satan as a real being call upon him and his Crowned Princes of Hell in their rituals.

NOTE* The sermon above was written many years ago. The enemy knows Satan and our Original Pagan Gods are very real. The enemy tries to convince the populace that Satan is only "a force." Satan knows everything about the enemy, and can destroy the enemy. This is why the enemy works relentlessly to try to remove all spiritual ability and knowledge from the populace and replace it with lies, and above all, keep people from Satan. "The All is One" is another slogan of the enemy. This slogan has infested many New Age articles and is the root of communism. Christianity and Islam lead followers to accept communism. The sole purpose of Christianity and Islam is to prepare followers for total obedience and to readily accept slavery. Communism [which is nothing more than a slave state] has mass-murdered, tortured, and destroyed innocent human lives totaling over the hundred-million mark. This is no different from the Inquisition. The names and the faces change, but it is still the same people who are of the enemy. Satan stands for freedom, individuality, diversity, and rebellion against tyranny.

The Truth About "Biblical Prophecy"

I wrote this sermon many years ago, back in 2005. Since then, Satan and Lilith have led me to the truth concerning "Biblical Prophecies." The truth is utterly shocking. Most of humanity has been under a powerful spell. Followers of the Christian and Muslim programs are so far programmed and indoctrinated that they cannot see the truth and they believe what they are told, unquestioningly. Satanism is very spiritual. "Witchcraft" also known as the powers of the mind and soul is synonymous with Satanism. The Judeo/Christian Bible is nothing more than a very powerful subliminal. The truth is... all of the so-called "prophecies" in the Judeo/Christian Bible are man-made. This is not of "God." This is why it was so important for the enemy to forcibly remove all spiritual knowledge from the populace. With all spiritual knowledge systematically removed, everyone becomes a slave to those who have and use this knowledge at the top. This is why atheism is so important to the success of communism. The Bible uses numbers because it is a book of witchcraft that is used by the enemy, not the "Word of God." In addition, there is nothing at all spiritual about the "Holy Bible." This can be readily seen in the 9-11 tragedy and many so-called "natural disasters." http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

I have received a several e-mails, one from a Christian preacher and a few others who lacked knowledge; mostly from Christians who use the predictions in the biblical book of Revelation/Apocalypse as an excuse to adhere to Christianity [Again fear is used, as is the case with all enemy programs]. I posted an article some time ago in regards to the Jehovah's Witnesses and how for the past 150+ years, they have been predicting "Armageddon" to occur either within the coming year or within the next five or ten years. When they are proven wrong, of course they blame it all on "the Devil" and make other stupid excuses. It really gets to be a pathetic joke.

In truth, we are in the last days of the Age of Pisces and there will be drastic changes. Exactly what these changes will be remains open. The Age of Aquarius will not be upon us though until the middle of the next century.

Now, concerning these prophecies. There have always been earthquakes, famine, pestilences and other natural disasters. Only in the past century, has science such as geology, chemistry and physics advanced to where determinations of the magnitude and epicenter of earthquakes, the intensity of tornadoes and calculations of other natural disasters can be made. With the capabilities of the mass media, it is now possible for these occurrences to be reported worldwide within minutes. 1,000 years ago, a massive earthquake would have only been recorded locally, and would not have been reported

around the entire world, as there was no extensive media to report it. Obviously, TV's, newspapers, and radios did not exist in those times.

Most of these prophecies were written for one reason and one reason only- to create fear in an unknowing humanity, and through that fear, enslave and enforce the obedience of human beings. Biblical prophecies are not based upon clairvoyance on the part of these gods, but upon information. Humanity has been stripped of ancient knowledge due to centuries of Christian control and remains ignorant, falling victim to believing these threatening forecasts. In addition to all of this, many people put their faith in Christianity and Islam because they believe in those prophecies and believe them to be a revelation from "God" and nothing more. They are frightened into believing and are being deceived because they lack the necessary knowledge to see this is all man-made.

Let me explain. Yes, there have been signs in the sky, such as the grand sextile, which has never been seen before in all of recorded history. The grand sextile is a six-pointed star. Its origin is the Hindu "Star of Vishnu." The Hebrew "Star of David" was stolen from this. The Star of Vishnu predates the "Star of David" by thousands of years. At any rate, when one has knowledge, one can make predictions that have a very high probability of occurring. This is no different from when a Medical Doctor makes a prognosis or when a meteorologist predicts a hurricane's path because they can see it from satellite images, and where it is heading. Both examples are the result of having enough data, knowledge, and experience.

The same can be said for the Gods. Beings who have a life span of thousands and even millions of years; some like Father Satan and his Demons who are immortal, obviously, have seen much, much more than any human being, given their life span, advanced technology, knowledge and intelligence. They have seen the planetary line-ups, and how the solar systems these have occurred in were affected for thousands of years.

For example, a tight sixty-degree planetary line up [stellium] preceded the Bubonic Plague in the 14th century. This line-up occurred one year before the outbreak of the first major plague in 1348. This same type of line-up also occurred in 1982 and with this AIDS came on the scene. Both of these plagues were major and have taken a multitude of lives.

The Gods mapped out the Ley Lines when they lived on the Earth. This was done in order to accurately predict the magnitude and location of future earthquakes and other natural disasters. The Gods were much more advanced than our present day seismologists are. The information from the Earth grid also provided enough knowledge for accurate prediction of the shifting of the poles and other potentially catastrophic events. These predictions were not based upon clairvoyance, but upon knowledge and ultra-advanced technology.

Christopher Columbus knew of an impending Lunar Eclipse and the date the eclipse would occur. He was taken prisoner by natives on a Caribbean island and obtained his release by stating that he could make the moon disappear. This frightened the natives who knew nothing about eclipses and when they witnessed the disappearance of the moon, they immediately let him go. Remember a lack of knowledge= fear!! Fear= compliance, obedience and eventual enslavement. A lack of knowledge is essential to creating and maintaining a slave state. This is why knowledge is so condemned in the "Holy Bible" and Satan, who represents knowledge, is so condemned and blasphemed by the enemy.

An insect who lives only 2-3 months during the summer season will never know winter, but winter occurs anyway. We know this from experience as we have lived through many, many winters. A lot can be done to manipulate the ignorant. Take the truth and mix it up with lies and you will have them believing the lies as well. This is what the enemy has done.

So next time you are faced with some frightened and enslaved Christian who rants and raves about how the apocalyptic predictions are happening, be aware of how and why these were made. Remember, the Christian is taken in by these lies due to a lack of knowledge or just plain stupidity. With enough data and experience, accurate predictions are not hard to make. Add in the lies about Satan and they run to the Nazarene out of fear.

"The Exorcism of Emily Rose"

This is an open letter to the public, namely Christians. In order to really know truth, you must become acquainted with both sides without prejudice. The Christian Churches have worked overtime to keep humanity horrified of and as far from the one known as "The Devil" for centuries. The truth is because they have plenty to hide and this involves where your soul will be going. The truth is these Churches have been abusing occult power for centuries and this is the foundation of their power and their wealth. Your spiritual ignorance depends upon it. Due to centuries of systematically destroying knowledge, the Christian Churches have been at liberty to dictate what Satan and Satanism are all about, and with their wealth, power and control of the media, they have silenced any opposition.

The movie, "The Possession of Emily Rose" is another scare tactic by the Catholic Church and the alleged true story behind it is a horrific example of Christian Ritual Abuse, which is alarmingly prevalent, but like the recent exposé of the rampant pedophilia, these have been suppressed by the media, given the wealth, power, and control of the Christian Churches. The victims of choice are children and young people.

It is claimed the victimized girl's knees ruptured "due to the 600 genuflections she performed obsessively during the daily exorcism." The Catholic "genuflection" was stolen from the Ancient Egyptians. This can be seen in the hieroglyphics and the truth be known, everything in the Christian religion has been stolen and corrupted from religions predating it by hundreds to thousands of years from all over the world.

I am a High Priestess of Satan and I am very close to the one known as "Satan." I know Satan and his Demons as real beings. I also happen to know Satan is our True Creator God and I can prove it if one takes the time to read along and study the material provided by links at the bottom of this article.

Allegations of "possession" are always directed at Satan. Upon closer examination and evidence from those of us who are close to Satan and have been Satanists for many years, we can state with confidence the one the Christian Churches call "The Devil" has nothing to do with "possession" whatsoever. As a matter of fact, if one would think with a clear head and apply some logic, it becomes very evident who is really behind it all. In addition, that movie was chock full of subliminal messages to frighten people.

Everything that the Christians accuse the "Devil" of, is really of their own God:

- "A Murderer and a Liar from the Beginning"
- "Human Hating"
- "He Deceiveth all of the Nations"

For more information Jehova: "A Murderer and a Liar from the Beginning"
http://see_the_truth.webs.com/YHVH_Murderer.htm

This article contains many biblical scriptures that prove this. Because Christians and Muslims are under a powerful spell, most cannot see this.

Let us examine some key points of the movie:

The reason for the possession in the movie was for "God" to let humanity "know we have a spiritual side." Ok, now what kind of way is this to let anyone know they have a spiritual side?? Everything in the Christian religion smacks of negativity: fear, terror, physical mutilation, ignorance, unknowing, cannibalism [Jesus is the subliminal living blood sacrifice. For proof of this, please click here] and the petrified human is left helpless, unknowing, and told he/she "must suffer." In truth, human-hating aliens are behind this.

I would also like to add upon studying the planetary positions [I am a professional astrologer] in this now deceased young woman's date of birth, she was at extremely high risk for mental illness and irrational fears with a very pronounced Neptune; Saturn/Neptune conjunction, exact Venus/Neptune conjunction and other astrological factors that contributed. Anneliese Michel was not a stable personality and given her life-long intense indoctrination with Catholicism, it is not surprising these problems came to the surface. She was very vulnerable and a perfect victim.

For those of you who are unfamiliar with Spiritual Satanism, Satan shows us we have a spiritual side through power meditation and knowledge in a positive sense. This is true spirituality. The spiritualism in Christianity is false. Christianity, namely the Catholic Church has been a powerful tool to remove all spiritual knowledge from the populace and replace it with practices and legends that have been stolen, twisted, and defiled from other religions around the world that existed from hundreds to thousands of years preceding it. This is a fact and with enough research it has been proven. The goal is and always has been to keep spiritual knowledge in the hands of a "chosen" few who run the world and feel they are entitled to be God.

Those of us who are close to Satan and refuse to worship the false gods of the Koran and the Bible, fear nothing. We also have the spiritual knowledge and the spiritual authority to deal with psychic attacks and to know where they are coming from.

Satan who is the True Creator of humanity, gives us the power, self-confidence, and the strength to be resistant against such things. Those aliens who represent the false "God" idly stand by and sadistically watch the utter horror and torment of their hated ones- innocent human beings. These entities cannot hide their true character from those of us who have opened our spiritual centers and can see. Everything they are and do is ugly and negative. The "Virgin Mary" appeared to the girl in the movie and sadistically encouraged her to suffer. These human-hating degenerate beings sadistically prey upon innocent children. Right here, even for the most stupid of deceived idiots, this should be a warning.

Now, logically, think for a minute about this so-called "possession." What is the objective of so-called "Demonic possession"? What does this accomplish? What would this sort of thing accomplish for Satan and his Demons? This sort of thing has left people so frightened of Satan; few have ever been able to know him without prejudice.

On the other hand, it is plainly clear what this does for the Christian Church. This sort of thing spreads terror and that terror is based upon the spiritual ignorance and helplessness of the majority of humanity. The Catholic Church mass murdered, and tortured to death millions of innocent human beings in the Inquisition, who had spiritual knowledge, and burned and completely destroyed hundreds of libraries where spiritual knowledge was kept. Some of this is hoarded in the Vatican Library of which certain sections are only open to the top Catholic clergy at the top. Christianity and Islam are preparations for communism. Communism [a total slave state] has tortured, mass-murdered and destroyed hundreds of millions of lives and in truth, is no different from the Christian programs. Of course, both are controlled and promoted by the same identifiable people and pretend to be against each other...enemies. This works very well and most people are deceived by it. If one looks closer, one will see the endless similarities between the two.

With using such scare tactics as in the above, this furthers the enemy agenda.

1. Lukewarm Christians and others who do not regularly practice are frightened into returning to church on a regular basis and this gives the churches more material wealth and power and above all, the psychic energy they need to channel into their goals of enslaving the world.
2. Spiritual power is kept in the hands of a few to the detriment of all. The Jesuits who run the Vatican, unbeknownst to the average Christian are fully capable of spiritually harming another human being, especially their own devout Catholics who tie into the beliefs [sympathetic magick]. This order is adept when it comes to black magick and the average person is helpless against it. This is shown through all of the wealth and power they have. Protestants enjoy pointing the finger at the Catholic Church, yet they refuse to look at their own who are every bit as guilty and tie into the same lies in the bible [a book comprised of corrupted

material stolen from religions around the world predating it], and upon close examination is a hoax infused with occult power with a very sinister objective for those who believe in it. This is a classic case of sympathetic magick where a connection must be made at some level. The connection to the original religions is in everyone's racial memory. Satan, who is our True Creator God, does not contradict himself.

3. They forever rant and rave how “The Devil deceives and is the ‘Master of Lies’” yet for any scam to be successful, the victim/s must be unknowing on some level. Spiritual knowledge comes from Satan. Christian Priests and ministers alike are lost as to giving answers and solutions to many problems that face humanity. In contrast, Spiritual Satanists have the ability to heal themselves and loved ones, astral project their souls at will [this enables one to navigate the astral and be familiar with it so upon death, he/she will neither be lost nor spiritually helpless], obtain the necessities and comforts of life through power meditation, to spot spiritual problems and to heal them in him/herself and others. Satan has given us knowledge of the anatomy of the soul and how to maintain the soul and keep it healthy so problems like the above never happen.

4. These are gifts from Satan who is our true God and Creator. There is nothing spiritual about the Christian churches. Christians are under a powerful spell of catastrophic proportions and those who do not wake up will face their own damnation through a lack of knowledge.

It is sad they picked upon Belial and accused him of such things in that film. Belial has done much to help those who are under his protection and guidance to advance spiritually. Belial would never allow a disciple of his to suffer needlessly and when a dedicated Satanist is in trouble spiritually [yes, we get attacked by the same angels who are behind these possessions that are blamed upon Demons] other Demons and at times even Satan himself will come to the aid of the victimized human and see to it no harm comes to him/her.

In closing, the Demons were bound for centuries. Anneliese Michel (the real name of “Emily Rose” was supposedly “possessed” in 1968. I can reassure you the Demons including Belial were bound and it was not until very recently were they released. I know because I was involved in releasing them. Only now are they able to come forward and defend themselves and reveal the truth to those who will listen. It is said “In the end, the truth will come out and many will want to join on at the last minute, but it will be too late.”

Subliminal Messages in the Movies

The 1973 movie, "The Exorcist" is a blatant example of using scare tactics to keep people away from Satan. Not only are scare tactics used, but also the subliminal messages contained in the movie are numerous to add to the fear. This movie was in direct response to the 1968 hit "Rosemary's Baby" which portrayed Satan in a somewhat positive light.

Of course, the opening scene takes place in Iraq where Satan and the other Original Gods had many temples. Then, the Ouija Board scene- the message here is that Ouija Boards are dangerous. This is another attempt to keep people from communicating with the Original Gods who wish to help humanity. By keeping people isolated from the real Gods, the lie of Christianity can advance unimpeded and keep everyone enslaved.

There is the scene where 12 year old Regan comes bounding down the stairs in a back bridge position [a direct attack on yoga] and of course the contortion which supposedly manifested from the possession. Then, there is the levitation scene. The subliminal message here is to stay away from yoga. The movie goes on and pretty soon we have the guy with the broken neck. Of course his head is turned facing backwards. Everything *IS* backwards, but the enemy sure doesn't want humanity to wake up to that fact so more fear tactics are used.

The movie "Spellbinder" is another one. Spiritual gifts such as telekinesis, pyrokinesis, and others are portrayed as evil. Along with this, adding to the subliminal messages, there is the new age music playing in the background. The message here is to stay away from spiritual power at all costs.

"Bless The Child" does another number. Here, the retarded are held in high esteem, as is with the Christian churches. Christianity values a lack of intelligence in order to keep perpetuating their ludicrous lies and idiocy. The politically correct system calls the mentally handicapped "special." What a joke! In other words- don't bother to think or use your brain. If this is the case, then everyone should damage their brain so the entire world could be "special." The more stupid, the better. Intelligent, thinking people are never perfect slaves. Stupidity, ignorance, and illiteracy all factor in with creating a perfect slave state and the people who promote these lies know this.

Another recurring theme in most movies centering on Satan is the subliminal message that justice is wrong. Don't fight back; let enemies do as they please and so forth. Satan stands for and represents justice. Without justice, civilization falls into chaos and corruption runs rampant and takes over. All personal liberties are then lost and entire nations become slave states. The psychology here is to let crime get so out of control that the unknowing populace falls into the trap of literally begging for harsh laws where everyone's civil liberties and freedoms will be taken away. Unknowing people gladly give these up in exchange for total

crack down on crime. Mass murders then follow and all freedoms are lost. Satan stands for personal liberty, freedom, and justice.

The sorry list goes on and on. The underlying message is and always has been- Don't empower yourself!

By empowering ourselves, we are no longer slaves to the enemy. Satan detests slavery and servitude, so they have to keep people away from him at all costs.

The Tree of Knowledge, the Apple and the Serpent

Edward Kelly's "Vision of the Round House"¹ adds further credibility to the texts written by scholars supporting the concept of the creation of humanity by extra-terrestrials through genetic engineering. There is no way Dr. John Dee and Edward Kelly had any knowledge of this in the 16th century. The "Vision of the Round House" is identical: Humanity was created by extra-terrestrials who needed slave laborers in the mines. By taking the ovum from a Cro-Magnon primate and using artificial insemination with a sperm from one of the Nephilim, we were created.

The one known as Satan created us and designed us. He intended to bring us knowledge and make us as the Gods, but he was prevented from doing so and cursed by some of the other Gods. We did not evolve naturally, as opposed to animals who have overall better health and immunity. Satan wished to bring us to perfection, but some of the other Gods wanted for us to be destroyed after the mission was over and since we were becoming an issue, they attempted to let us all drown in the flood.

Satan went against the other Gods and gave us more advanced genetics. The "breath of God" is the soul. The chakras are the psychic energy centers that are activated by breathing in certain ways to enable the Kundalini Serpent to ascend. When the Kundalini Serpent ascends, enlightenment/Godhead is achieved. This is a major step in the working for the Magnum Opus, which gives both psychical and spiritual perfection, along with immortality.

The Tree of Life is Ancient Egyptian in origin. It is actually a pattern, either upright or upside-down for the genetics of life. It plugs into the Flower of Life that has been inscribed upon so many walls in Egyptian temples and also in the pyramids. The Flower of Life is the blueprint for every living thing. In addition, the "Tree of Life" is a map of the human soul, with the trunk symbolizing the spine, the branches the 144,000 nadis, and the fruits symbolizing the rewards

of meditation- working on one's soul. One lives from the "fruits" of one's soul. Fools claim Satan is a "Christian invention." All of the Old Gods were made into Devils and Demons in order to destroy their relations with humans. These are the Gods who have been present throughout the life of the human race and have attempted to give us knowledge and to help us in our times of need. Cities were destroyed; libraries and other places where books were kept were burnt and destroyed. Every culture, such as the Philistines, that worshiped other Gods was made war upon and genocide ensued. The Philistines worshiped Beelzebub. Beelzebub was the God of the Philistine city of Ekron and Zebulon. [Baal [Lord] Zebulon. There are few if any traces of the truth concerning these Gods. This excerpt quote from the Catholic Encyclopedia is very revealing:

In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons.

Catholic Encyclopedia: Devil Worship

<http://www.newadvent.org/cathen/04767a.htm>

[See the third paragraph in the article for proof].

The Old Gods have remained as Devils and Demons just to survive. The Judeo/Christian "God" wishes for the destruction of humanity. Everything that the Bible accuses Satan of is really what the Judeo/Christian "God" truly is... "A Murderer and a Liar from the Beginning." True evil deceives. Most of the "Holy Bible" is comprised of bloodbath after bloodbath, hatred, genocide and exceptional cruelty. This influence can be seen in the Inquisition, anti-life teachings, especially where the abstinence of sexual intercourse is concerned, to stop us from procreating. Moses went on a rampage of war and slaughter when he descended from the mount under the direction of "Jehovah." The incident at Fatima with the virgin bitch revealed the alien contempt for humanity in the hopeful anticipation of our blowing ourselves to bits with nuclear weapons, if one can read between the lines.

With the opening of the watchtowers a small increment, humanity has been flooded with knowledge in the last 100 years that has been unparalleled in the whole of history. We have not had time to adapt. This was the sole intention by the angels who communicated the information to Dr. John Dee and Edward Kelly. That the knowledge would act to destroy humanity in a short period of time. 100 years is nothing to the Gods. The fact that they were angels is portrayed by their arrogance and condescending attitude towards the two men. Demons are very friendly and understanding when treated with respect. I have never known Demons to be arrogant. Most people either study physical science or the occult knowledge. Not very many study both. This is where people would benefit, by studying both, for in the end, it all comes together. Satanism strongly supports and advocates the advancement of the physical sciences. Everything of the so-called "supernatural" and the occult can be scientifically explained. Unfortunately, the physical sciences have not advanced far enough to fully explain the spiritual as of yet. This is why the Christian Churches have vehemently attacked science for centuries. Humanity has been held back dangerously.

Patience

When people are new to Satanism, one of the first things many want to know is who their Personal/Guardian Demon/ess is. Demons are for spiritual guidance. In time, you will meet your Demon/ess when you are ready. You must open your soul first and practice consistent meditation.

When you have advanced to a certain level in your meditations and this is individual for everyone, you will more than likely make contact with our Gods, who will work with you to advance you further. Patience here is very important.

For those of you who are actively involved in spiritual warfare, even if you are not aware, Demons will be working with you and guiding you. This may not be blatant, but subtle. These can include putting ideas into your mind, certain things falling into place and making things easier for you, and feelings known as intuition. Satan's Demons watch over, protect, and work with all dedicated brothers and sisters who are actively involved in fighting the enemy.

Important Points

I received a personal e-mail today that brought up several important issues that I feel need to be addressed to everyone.

Due to compulsory Christianity in many homes in the USA, Europe, and in many other countries worldwide, most of us come from Christian backgrounds.

Remember, once you make a commitment to Satan, you enter a new life. The past is dead. Don't dwell on your former experiences with past teachings and so-called "religions." Forget them. Satan accepts you, and he understands. Some people feel because they come from a Christian, even fundamentalist background, or were involved in enemy activities where they blasphemed Satan, that he is angry with them. The most important point here is with Satan, we realize our past error and come to him of our own free will; free from any coercion. We renounce our past, the enemy god and everything connected with him. We renew our lives through Satan. The past is dead- PERIOD.

Another point is often, people expect drastic changes immediately following a commitment ritual to Satan. This does not usually happen. When I did mine several years back, I didn't know what to expect. I expected nothing. I had little to go on and no support or direction whatsoever. I found within two months, Father Satan blessed me with something nice that I did not expect. Be patient. We are all individuals and he rewards us in different ways. Most of these will be subtle to begin with, but over time, you will see where your life has really improved. Those who have no expectations and just go on about their lives will find themselves pleasantly surprised.

All of us get sick or experience problems at times. Everyone has his/her Saturn so to speak. Father Satan looks out for us and gives us the strength and his support to make it through rough times. The longer you are with Satan, the stronger you will become.

I would also like to comment on impatience. Many, especially teens are very hard on themselves and are too self-critical. Becoming an adept does not happen overnight, nor does it happen in a few months. Improvement can be seen when one works on this, but with working a Ouija Board, divining the future or with spirit communication, this takes time. It has taken me over 25 years to master astrology [and I am still learning] and some other disciplines, although I was an atheist for many years and less than committed. Be patient with yourself.

In closing, the planets are really bad concerning world affairs. I strongly encourage everyone to empower yourselves NOW, DO NOT WAIT! Your aura will protect you. Remember, we are NOT those who are without. Don't put this off or wait. Do the opening of the soul exercises and empower your aura/chakras. This builds when done every day and can save you where others fall into lethal

circumstances. Always remember, the soul you save is your own and you do this through power meditation, which is spiritual. The transiting planets and Satan's revelations to those of us who are very close to him have been getting are indeed ominous.

Familiars

A familiar is an animal that is a gift from Satan to one of his disciples. This animal forms an extremely tight and loving bond with the owner. The animal is different from other animals in that he/she is inhabited by a lesser Demon soul. The bond is usually so close, should the owner fall sick, the animal often will feel ill as well. Dogs, cats, birds, rodents, and reptiles can be familiars. A witch can have several familiars. One will find they are looked after and protected by helpful Demons who will see to their well-being. These animals are gifts from Satan, and should be treated very well. Witches were said to take great care of their familiars. Animals are sacred in Satanism and should always be treated with consideration and respect. This includes all animals.

Thoughtforms can also be implanted in or attached to a familiar, but this is advanced and you should make sure you know what you are doing so no harm comes to your familiar. Always go through Satan. Never do anything that could harm your familiar.

Familiars are highly protective. They can help in magick as a partner. Witches who do not have familiars can send out a psychic call to attract the right animal. Familiars are known to be sensitive to psychic power and are welcome partners for the raising of power, the casting of spells, scrying, spirit contact, and other magickal work. They also serve as psychic radar, visibly reacting to the presence of any unwelcome or negative energy. The pet dog of a High Priest viciously growled and snarled, with his hair bristled when the presence of an angel was detected and warned his owner of this unwanted presence.

The protection goes both ways. The owner will also be psychically protective towards his/her familiar. The bond here is as strong as parent to child. In contrast to all of the enemy claims and horror stories, Satan holds animals in high regard and wishes for his people to treat them with much respect. In the *Al Jilwah*, he states, "The beasts of the earth, the birds of heaven, and the fish of the sea are all under the control of my hands."

One of the reasons for the rampant spread of the bubonic plague [Black Death] in Europe during the 14th century was the Christian Church declared cats to be of the Devil and people killed them en masse. This left the rat population to explode at an alarming rate and the fleas that were common to rats spread the plague to humans.

The Truth About Christian Prayer

I'm sure most of you have heard the latest news concerning the recovery of Elizabeth Smart of Utah, who was abducted several months ago. The Christian family raved on and on about "The Lord," and quoted bible scriptures in front of the press, following her return.

The point is there were many, many Christians praying for the girl non-stop for these past months. Even the worst of idiots, who for months keep applying "prayer" which amounts to psychic energy, as part of a group who is doing the same, will achieve something. Then they go on to praise the "Lord." They don't realize all along, that it was their own efforts.

Satan shows us how we can obtain what we want through power meditation. This does not involve slavish worship of some deity, or conforming to any human-hating agenda. We can become gods in our own right, and can take control of our own life.

It took several months of "prayer" [applied psychic energy] for these people to achieve their ends. In most cases, Christian prayers are futile and it stands to reason when there are groups of people applying the energy of their minds to a specific goal, there can be success. Fools are taken in by this sort of thing.

Christian Mind Control Methods

One technique Christians have used for centuries is that of mind control. Those who attend Christian services or masses subject themselves to being programmed. One naturally becomes bored and begins mindlessly daydreaming, or even half-nodding off to sleep. This is when one is most susceptible to having their subconscious mind being programmed. This is even worse for in the case of small children and even babies whose minds are open and vulnerable. In colonial times, church masses lasted all day long. The church usher would carry a long steel pole with a ball at the tip to crack those who nodded off on the head. Church attendance was compulsory, resulting in fines or public humiliation such as confinement to the stocks for a specified period of time if one did not comply.

All of this is a conspiracy. The Christian Church masses and services are meant to be boring in order to induce a passive and receptive state of mind where one can be programmed without their knowledge. Those who control the Christian program know all about the mind and how to program the populace. They are nothing but the worst of the worst of criminals. All of this is done deliberately to create a slave state. The slave state is the goal of Christianity.

The Christians who walk around with the pasty artificial smiles as though in a trance are those who continuously subject themselves to this sick indoctrination. More and more church attendance and reinforcement turns them into conditioned robots. This is one reason many who are in the process of breaking away from Christianity have a hard time, and experience confusion and many times fear. People are unaware they are actually being hypnotized. Because in modern times, especially in developed countries, knowledge about the human mind is made readily available, the tactics that the Christian programs have used for so long can be exposed for what they really are: Brainwashing. There is nothing spiritual about Christianity, Islam or related filth.

Studying the truth will eventually result in deprogramming one's mind. The fear, doubt, and confusion will eventually give way to reason.

The Brotherhood of the Snake Teachings of Ancient Egypt

The pyramids served many purposes. One purpose was that of initiation and ceremonial rites, both for humans and for the magickal workings of the Gods. Many hieroglyphics depict the Gods tuning their chakras with a rod-like instrument. Satan gave these energy centers to humanity, they are known as the breath of life, breathed into us by God [Father Satan]. There are seven primary chakras and many minor ones. The hook and the flail were tuning tools for the primary chakras along the spine. A mural on a wall at Abu Simbel depicts Horus holding a rod to the back of Osiris' head, at the point that is the primary doorway to the eighth chakra [above the crown of the head]. The hook is moved up and down the rod to tune the chakra. Osiris is standing with an erection. Sexual energy is a paramount component in the rite of resurrection and immortality. Kundalini is sexual; the life force. Sexual energy is that of the life force, as it has the power to create life through another human being. The sexual energy runs up and down the spine during the tuning process. The Egyptian Ankh symbolizes eternal life and eternal life is linked to the breath. The Ankh is also linked to sexual energy.

One of the key teachings was the overcoming of fear. Only when one surpasses all personal fears, can higher levels be accessed. Fear is the main emotion that prevents one from advancing spiritually. Fears must first be overcome here on Earth. To reach this goal, the Egyptians built special temples along the Nile. There are 12, along with the great pyramid making 13. $1+3=4$. All of the verses in the xian bible referring to Satan and his Demons given certain mathematical applications, come out as 13. Four was Satan's original number. The Temple at Kom Ombo represents the second chakra, and is dedicated to polarity/duality; the basis of sexuality and two Gods are associated with it- Sobek, the Crocodile God and Horus. The Ancient Egyptians would create experiences in these temples that would push initiates past their fears to become strong and competent in experiencing the unknown. There was a water hole full of crocodiles. The initiate, taking only one breath would dive under water not knowing what to expect and the test was to emerge from the water in a different location from where he/she went in. Initiates were unaware that the crocodiles were fully fed. They had to remain calm and in control to navigate the water. ¹ The sarcophagus in the King's chamber was used for the adepts as one of their final tests. The pyramids were built precisely along powerful earth energy lines known as "ley lines" and used by the Gods in their ritual workings. Beneath the great pyramid are the Halls of Amenti, the womb of the Earth. The adept would

lie in the sarcophagus in the correct position so a powerful beam would hit the third eye chakra. The adept would then begin a specific type of meditation and the experience would be so blissful, some never returned. Part of the initiation was the conditioning of the student to remember to return to their bodies after the experience. The final initiation also was held in the King's chamber. This 4-5 minute ceremony took place in the center of the room. An Ankh was drawn on the third eye of the initiate.²

Satan created the Brotherhood of the Snake for humans to be able to advance to higher levels of spirituality.³ The Gods were the teachers. Most are now the ones we know as the Demons. Some of the Gods, such as Thoth and Isis escaped being labeled as Demons. Isis is really Astaroth, but not too many know this. They helped and taught humanity.

Sermon on Satanic Healing and Holes in the Aura

An author wrote about his interactions with angels. He asked them for help in healing himself. The angels gave him no knowledge or information other than telling him his problem was "emotional."

The truth is most physical ailments are not emotional, but nutritional. Satan himself told me what to take for a couple of problems I was having. The problems are now totally under control. Satan and his Demons are very open and helpful when it comes to giving us information and knowledge. I do have another problem he wants me to heal on my own; he told me how and my Demon gave me some good advice.

Most people who go to angels come out with nothing but self-deprecation and blame. The angel usually tells the sorry individual they are in some way responsible for their situation and they need to be more "loving" or that they "shouldn't have any hatred or anger." Denial of one's feelings is definitely not good for emotional, physical, or mental health. By repressing our so-called baser emotions, we actually set ourselves up illnesses. Another token of angels is the refusal to share any worthwhile information.

Thanks to Father Satan, two major problems I had are now gone. What he told me, I could have never known myself. HAIL SATAN!!

I also want to add here how we hear of accounts of extraterrestrial beings in documentaries, films and in books citing warnings in regards to what humanity has done to the earth and how rotten everyone is. Again, these beings are of the enemy. This earth was attacked more than likely by the very same beings, who have worked through their own chosen ones to destroy civilization and humanity along with it. Humanity is in this horrible situation because of the influences of Christianity, Islam, and their root of Judaism. All these programs have done is to create havoc within the mass mind which has bled over to extreme destruction. These programs focus intensely upon death and live for their death. The enemy creates the problem and then blames those who had nothing to do with this. Then, the enemy pushes their solution. Note that all these nefarious beings ever do is severely criticize and blame. They NEVER give any reasonable knowledge or offer any solutions.

ABOUT HOLES IN THE AURA

By practicing power meditation every day, you will strengthen your aura and this in turn will give you the needed power to manifest your directed thoughts and desires into reality. A powerful aura will also result in strong immunity and the healing of various physical problems.

True Satanism is about becoming, growing and evolving. In the beginning, Satan and his Demons give us help when we need it. The goal of Satanism is for us to empower ourselves. This is analogous to a child growing up and becoming independent of his/her parents and having the strength, knowledge and confidence to act on his/her own as a healthy and well balanced adult. Ideally, one should become strong, confident, independent, and take control of his/her own life, fate, and life goals.

The enemy wants to keep us ignorant and bound. A good example is an author exalted and praised the work of angels who would come into him and help to heal his clients who were suffering from illnesses and injuries. He bragged how both he and the client would feel the hands of the angel and "their wonderful healing ability" going to work on problem areas.

First of all, what is this *really* doing? It is making a dependent cripple of BOTH the client and the practitioner. No knowledge is given. No higher level of personal power is reached to do this alone, by one's self. It is in reality, damning them both the practitioner and the patient to an existence of dependence on external entities; being at the mercy and whims of something outside of the both of them that is calling all of the shots and taking their energies in the form of praises for something each one could do alone given the knowledge and application thereof.

Many problems are due to holes and leaks in the energy field of the aura. These can be brought upon by childhood trauma either physical or emotional, where one was victimized in some way, or even as an adult; from surgery or accidents. Holes in the aura can open the door to unwanted entities, illnesses, and health problems.

The hieroglyphics and carvings in many of the Egyptian temples and pyramids are there to tell us something. The classic pose with the arms crossed over the chest is for a reason- to protect the heart chakra. This warns of being sympathetic to the wrong things, or helping those who are undeserving of any help. Having sympathy for an enemy or enemies and their programs in the case of spiritual warfare will only result in one's downfall and this has extended to entire peoples and nations over the millennia.

Human beings thrive on love and acceptance. An infant deprived of love, often will not thrive and if they do, most will be impaired for life, mentally, emotionally, and even physically. Love is an essential part of our makeup. Entities who wish to destroy us, know this. The deluded New Age movement's focus on "unconditional love" [there is no such thing in reality, regardless of how they rationalize and lie to themselves], is VERY dangerous and opens those who take this advice, making them ready victims for all kinds of entities. This is the scheme of the Nazarene parasite that is nearly always depicted with open arms, exposing the heart chakra, encouraging victimization.

Psychic vampirism in most cases feeds off emotions. Sometimes there are certain family members who are abusive and others who we know are bad for us, yet we allow them to abuse us or manipulate us because of an uncontrollable emotional vulnerability we have towards them.

One is open and vulnerable and allows them in. They attach, connect, and control. We have opened our emotions to them in some way. The Nazarene and other unwanted entities gain entry the same way. A small child taken to church and Sunday school is continually coerced into "Loving Jesus." We are told, "God is Love." The same lies apply to the Nazarene. This opens up one of the most vulnerable areas of a human being so that he/she can be controlled by these unwanted and harmful entities. The love energy is exploited and used by these entities as a parasite uses its host to its demise and sucks it dry. As you all can see, these entities gain control of and work through many of the new age people.

In addition, love can play upon one's judgment and reasoning. Enemy aliens and their chosen humans know this and exploit it.

A weak aura with holes leaves one vulnerable to all kinds of things. Remember, negative entities feed on FEAR and other human emotions. This is another reason for the Christian doctrines maximize the emotion of fear by indoctrinating their followers with threats of eternal "hellfire" and "damnation." This makes it much easier for these parasites to attach unknowingly to these people's auras and use their energy. All of this becomes a vicious cycle. To seal holes in the aura, one must first have a strong energy field. Most often, after becoming competent with power meditation, one can sense where the holes are located. By repeatedly directing the energy to the holes and expanding the aura in and around the areas of the holes, in time they will seal.

Past Life Amnesia

Many events are fated such as one being in the wrong place at the wrong time, being with the wrong people, again at the wrong time; accidents, illnesses, missing something by a day or minute and other related occurrences. All of this is the result of a lack of knowledge. Reincarnation is a fact. When we enter a new life we bring ourselves with us. This includes past hang-ups and former conditioning, mistaken beliefs, grief, pain and so forth. When we enter a new existence, we do so under amnesia. Myself and other Joy of Satan High Priests have worked extensively with humans who were deceased and in spirit form. When one dies, one does not advance in power or ability. One needs a physical self in order to do this. In death, one takes one's self, character, abilities and all into the spirit world and then into a new life if he/she reincarnates, which most people do. The astral is very boring for those in spirit form. They do not sleep, they do not eat or enjoy any physical pleasures. The only way they can advance in power is if a gifted human in the living world works with their soul.

Getting back to the article on amnesia... There is information available concerning certain experiments. Many of these have been kept from the public because of their cruel nature. These experiments are in studying the effects of artificially induced amnesia on both animal and human subjects and how it directly affects the feedback circuit in the brain. With self-awareness, one can exercise control, but on the other hand, when the feedback circuit is blocked through amnesia, one is prevented from reforming problem programming in one's mind.

Russian psychologist, Ivan Pavlov conducted a series of experiments on dogs. Most of us are familiar with the theory of conditioning, taught in Psychology 1001, if one studies at a University. Dogs were given food after a bell was rung. The bell, after several times, caused the dog to salivate [anticipate food], whether or not the food followed. The sound produced hunger in the dog. Two separate stimuli, applied within seconds of each other will create an involuntary response in the brain.

Many of his experiments went beyond the conditioning. He was able to produce nervous breakdowns in dogs and other animals, again, by association. The hungry animal would go for the food and he would apply painful shocks, extremely loud noises, blasts of scorching heat or other stimuli creating a survival versus fear/pain situation. This created neurosis and mental illness in the animals, in the same way the Christian Church has ruined the mental health of billions by enforcing the abstinence of sexual intercourse and denying other normal and natural needs. Sexuality is equal to the life force; abstinence creates neuroticism. The enemy knows all about the human mind and how to destroy it, along with the soul.

Another Russian scientist, A R Luria continued Pavlov's experiments, but this time on humans. [The CIA does this as well, although much has been kept from the public]. Luria found that humans, being able to remember, were able to resist the programming and restore their minds through rational thought and the application of will. Luria, [along with the CIA in later years] induced amnesia in his subjects through electric shock treatments, and drug induced trance states. With drug induced trance states, 99.9% of humanity can be hypnotized and reprogrammed. Very few if any are resistant.

Electric Shock treatment [EST] has been used to treat and control mental illness. EST causes retrograde amnesia. Memories are destroyed, corresponding with the intensity and frequency of the shocks. With high level EST, one is unable to remember one's name, identity or past. The subject becomes extremely calm and focused in the present. The 1975 movie, "One Flew Over the Cuckoo's Nest" is a good example of the effects of EST especially in the ending where the character, portrayed by Jack Nicholson, was shocked into irreversible brain damage with no memory of his identity or past. His brain was like a vegetable.

Disturbing thoughts and false memories can be implanted in subjects' minds by the operator with regressing the subjects into early childhood or infancy. At this stage, the mind becomes defenseless and helpless. The operator is perceived as and assumes the role of a parent figure. A prime example of this was where false memories were implanted by a Christian psychiatrist in the subject of the book "Michelle Remembers."

Inducing neuroticism usually, though not always, requires the operator to regress the subject and implant false memories, such as the rape of the child by a parent. One hundred percent of the time, amnesia must be suggested to the subject so the subject will have no recall of the session or any implanted suggestions. The victim, when he/she is deep under, is told by the operator at the end of the session, that he/she will not remember anything of the session when he/she "wakes up." Reprehensible false memories, fears, and all kinds of psychological problems can be implanted by suggestion in the subject's mind such as murdering a loved one, irrational fears, shame, and guilt.

Amnesia prevents the subject from understanding the hang-ups and dealing with them. The subconscious mind retains them and acts on them. The subject is unaware of them, other than having strange, irrational feelings, unexplained neuroses, and abnormal behavior. Regardless, the problems are still there and affect the subject's future behavior. This is what happens when we experience amnesia concerning past lives. We have more experiences than we know hanging around in our subconscious minds and affecting us in this lifetime, and if not dealt with, in future lifetimes. We don't understand why bad things happen and we are powerless in many cases to prevent or stop them.

The movie, Hannibal, though fictional, is an example of what can be done to someone in a drug induced trance state, where psychiatrist Hannibal Lecter offered Mason Verger a popper [amyl nitrate], and suggested to him to peel off his face. In this fictitious case, there was no amnesia. Never allow anyone, regardless of who they might be, to hypnotize you.

We can begin to really know ourselves and take better control of our lives, by accessing past lives through self-hypnosis, learning, and understanding as much about them as we are able to. We all should take the time to enter our own trance states and explore our own minds, childhood memories, and past lives. Because of the curse of amnesia and the lack of knowledge, there is so-called "karma." Karma can only be overcome and defeated with knowledge. Knowledge is the key to everything. Knowing everything about ourselves, past lives and so forth will set us free.

In closing, as a warning, never allow anyone to hypnotize you, regardless of whom they might be.

Damned Xians!

Note: Christians are under the influence of a very powerful spell. This spell in addition to working true evil, creates an obsessive/compulsive disorder in that the Christian feels compelled to coerce Christianity relentlessly. Harassment of others, murder, torture, and every other depraved means is used with no qualms whatsoever. The deeper one descends into the Christian and also the Muslim program, the more depraved one becomes, AND capable of anything in a most ugly way. This spell has been used to spread Christianity and Islam both, like the lethal viruses they are, world-wide.

For those of you who are new... "Xian" means "Christian."

Xianity is a sick, twisted, perverted, odious religion that keeps people from true spirituality and humanity's real God, Satan. That's enough right there, but the problem is much, much more than that. You are walking down the street, minding your own business, some pasty looking zombie-like idiot, that has a mask-like artificial smile affixed to his/her face, so plastic, robotic and alien like, accosts you with the Jesus garbage. The smiling mask immediately drops, turning to hatred and rage when you state that you are happy in your choice with Satan and you would rather be dead than switch. In some cases, even a murderous bent can be detected when the smiley mask drops.

You are in the privacy of your own home. Most neighbors, friends, and relatives are considerate enough to call before visiting. You could be in the shower, eating your dinner, watching something of interest on TV, having sex, whatever. You work, pay your rent/house costs and/or taxes, etc. This is YOUR home. You are minding your own business, not bothering a soul; maybe you are even feeling very happy. All of a sudden, regardless of all the blatantly visible "No Soliciting" signs, the "Do not Disturb" signs, or anything else posted to deter unwanted visitors, there is an urgent knock at the door, or the doorbell is ringing like there is a serious emergency, interrupting you, disturbing you without any respect for your privacy or any consideration as to what else you may be tending to or engaged in, in your own place of residence, whatsoever. Outside is another zombie-like idiot with the pasty looking artificial smiley mask going door to door, peddling the Nazarene. I have noticed in recent years, they now come in groups as one alone is no longer safe. So much for their "Faith in the Lord," and this is no different from how that pedophile Catholic Pope rides around under the protection of bullet-proof glass. So much said for the "Lord's protection."

You are sleeping, resting, AGAIN, minding your own business. Maybe you are even expecting an important phone call. The phone is ringing and ringing. It's not a friend, relative or neighbor; it's one of those double-digit IQ idiot xians, telemarketing the Nazarene. They will relentlessly keep calling and calling until they get a hold of you. You tell them "NO!" A couple of months later or even less,

they are back like fleas on a dog, only they are much worse than any animal parasite.

You open your mailbox, more of their garbage. Jesus coupons for redemption, always begging for donations to further the relentless plague and add to the multi-trillion-dollar industry of wealth they already possess and use to work towards depriving you of your freedom and constitutional rights. Not to mention working relentlessly to damn your soul, just like theirs.

You snap on your radio or television, here we go again, some pedophile capable of literally ANYTHING when perpetrating crimes against humanity, AGAIN is soliciting for more donations as their greed knows no bounds.

You want to read your newspaper, you find pages and pages of full-page ads, promoting and marketing the Nazarene and the opulent, financially exorbitant institutions where they relieve congregations of their money and their souls.

The absolute WORST of this is what they do to our children. They stalk them and prey upon them, corrupting their innocence and instilling hang-ups and psychological problems where there were none before. They use all kinds of scare tactics to frighten them with their lies. They work to turn them against their non-xian parents and to destroy their lives, coercing them towards living for their death and throwing their lives away.

The schools are full of them. Freedom fighters and the government are constantly battling the Christian Churches that are forever a continuous threat to the lives and liberties of others.

Once children are ensnared, they are abused, raped, molested and psychologically destroyed, and in some cases, even mutilated and murdered. In the least, they will never live up to or acknowledge their full potential.

Xians are forever trying to wrest control of the legal system, perverting it, like they do everything else, using it as another instrument to deny ALL of us our freedom, to enslave everyone, destroy lives and ruin what others have sacrificed everything for.

When they seize control, through whatever means, legal, or in many cases, illegal; however, makes no difference to them as they work diligently to maim, torture, murder and destroy anyone who is even suspected of disagreeing with their sick doctrines. Their reign was during the "Dark Ages" To find out if something is good or evil, all one has to do is give it power. Here, the xian religion speaks for itself!

They continuously PUSH themselves where they are not wanted. They are compulsive and obsessive. They are not a joke and will not just go away or mind

their own business. They would gladly resume their murderous ways if only given the opportunity.

Idiots of the lowest order promote notions that everyone should be “tolerant.” This kind of tolerance is suicidal to say the least and this is not, nor will it ever be a two-way street. In being “tolerant,” this will open the door for the Christian program to advance and in the end; you and yours will end up dead, along with millions of others as happened with the Inquisition. Any freedom will be completely gone and it will be too late. A huge price paid for listening to stupidity.

Anything that has helped humanity- medicine, communication, literacy, modern conveniences, and sciences that help us understand the world around us; anything that gives life more meaning or makes it pleasurable, they have worked overtime to viciously attack, corrupt and destroy. Yet, they make full use of everything they have contributed NOTHING to, working every step of they way to ruin. They make use of modern conveniences to spread their malignant virus around the world.

There IS NO room for tolerance here. This is total WAR! If each one of us does our part, we can bring this evil institution down. IT IS NOT IMPOSSIBLE! They have used the 9-11 terrorist attacks to their advantage, like all kinds of other ugly things. We need to start fighting back, LEGALLY. Don't let rage get you at a bad moment, use it constructively. You can't get away from them in prison. People rationalize, make excuses, focus on the small percentage of xians that are polite and mind their own business. This is what keeps them going. There are many who lack the education concerning world history, the INQUISITION, and the church's control of life and government in the dark/middle ages. These people know next to nothing of the truth. They believe what they are told and are too unmotivated or lazy to research for themselves. Knowledge is everything; this is why xians prey on the ignorant and illiterate.

Occult Crimes

This morning on CNN news, the anchorwoman reported that certain animal shelters no longer offer black cats for adoption two weeks before Halloween as several have been found dead after being used in "Satanic" sacrifices. This is few and far in-between and the media sensationalizes whatever they can. *

There are many kids and teens out there looking for Satan. Due to the suppression of books, media, and literature that provide knowledge about true Satanism, people look to what is easily and readily available. Anton LaVey wrote about this in his last book "Satan Speaks." He complained justifiably that he was given little or no airtime in contrast to Christians who were given prime slots and endless time to spew forth their lies. As a result, some people, especially the naive youth, turn to and believe what they see and are able to purchase.

The misinformation about Satanism authored by fools who have no real knowledge or information is prolific and deliberately promoted by the enemy. These Christian, New Age and out to make a fast buck writers are the ones DIRECTLY responsible for occult crimes and should be the ones who are brought to justice for lies, negligence and promoting false information against our religion, along with deliberate corruption of the youth.

Those of us who are close to Satan know how ludicrous these acts are. They have nothing whatsoever to do with true Satanism. The same can be said for the old grimoires and their insane teachings concerning Demons. We know different by EXPERIENCE.

Because the media, publishers, and book outlets have suppressed true Satanism, many are left with the false teachings that are easily and readily available. For those of us who wish to give something back to Father Satan, as I have said many times, flood the internet. It works. Link up. Recruit the youth; they are our future! Kids and teens with knowledge are the leaders who influence the rest. For far too long, Christians and other enemies of Satan have been given free reign to promote vicious lies about him and to misrepresent Satanism according to their own warped, distorted, sick, perverted standards, and have profited well in doing this.

Many books in the New Age/Occult sections of bookstores promoting lies and misinformation are cheap and readily available. A blatant example is "The Little Giant Encyclopedia of Spells and Magic." For \$9.95, this book goes into detail about "Making a pact with the Devil" and how this requires "drinking the blood of murdered children," human sacrifice, mutilating and torturing animals and every other ugly thing. Unfortunately, books like this are all over the place and the scum who write and promote this sick garbage should be heavily cursed. This is where our religion has gotten a bad rap, FROM LIES! In every Catholic mass, the

priest says "Eat My Body" and "Drink My Blood" This is where this kind of misinformation originates, and the so-called "Holy Bible" is full of it.

The enemy takes hold of those who are lacking in knowledge and of course, Satan is blamed. We must put a stop to this.

*Animals and children are sacred to Satan. People who abuse animals and children are an abomination to the Powers of Hell. Cats were sacred and held in very high esteem in Ancient Egypt and many Demons are symbolized by, and appear in the form of a cat.

True Spirituality

True spirituality does not need trillions and trillions of dollars. The pathetic Christian "God" and company can brag about their millions of enslaved sheep, but Satan has something they don't; something they never will.

Satan's people come willingly to him. We have survived centuries without all of the wealth and materialism of the enemy religions. A gathering in the forest, on the beach, or in the home of a friend. Satan's followers are here because we want to be. We have made a choice.

We come to worship out of love, NOT coercion, threats, indoctrination, peer, or family pressure. In the end, Satan has won. Even solitary rituals are done out of free will and devotion. Satan is loved. The Christian "God" relies on fear. Remember, "Money can't buy you real love." This is so obvious, as the enemy religions are spiritually empty. HAIL SATAN!!

The Truth About Extra-Terrestrials

When I was new, I asked Satan during a ritual "Who are you?" as I had no clue. I believed him to be some sort of spirit, but the voices in my head and my interaction with him indicated he is a real being. Very soon afterwards, in less than 24 hours following the ritual, I came across the Luciferian Liberation Front. <http://web.archive.org/web/20070207025605/http://www.luciferianliberationfront.org/llf2.html>

I knew this was an answer to my question.

I have spent years studying a variety of occult subjects. In addition, I have had many experiences and have learned from the experiences of others, both Joy of Satan High Priests/esses and members. The evidence of alien extra-terrestrials is overwhelming. In the Egyptian images and monoliths, the pyramids are spaced and directed towards the constellation of Orion* and the spaces between the pyramids correlate with the distance of the stars in the Belt of Orion.¹

*Satan and the "Powers of Hell" are of "The Empire of Orion." O.R.I.O.N. which also stands for the well-known slogan "Our Race Is Our Nation."

The Judeo/Christian Bible is chock full of BLATANT UFO activity. Many deluded individuals believe the Christian "God" to be a perfect force, above the comprehension of any human being. The truth is, the Judeo/Christian Bible REPEATEDLY describes a jealous, wrathful, spiteful, and hateful being known as "Yaweh/Jehovah" with emotions no different from that of psychologically unbalanced human beings, though even more depraved in comparison. The indifference to suffering indicates cruelty. The alien entity is aware of the human emotions of wrath, anger, hatred, and jealousy resulting in wars, murder, and genocide that most human beings strive to avoid. The concept of "love" here is not understood and is missing. To the Christian entity, it is merely a word used for control, nothing more. The entity, is obviously devoid of any sublime emotions, and does not understand the concept of "love." On the one hand, the entity claims "love" for his followers, and on the other hand, with the slightest offense, this "love" can damn one to eternal burning and torture in a "lake of fire." This is very alien to say the least. The Old Testament books, especially Genesis and Exodus are chock full of crimes against humanity such as the mass murder this entity perpetrated even against his own on a whim. For more in-depth information, please visit Jehova: "A Murderer and a Liar from the Beginning." http://see_the_truth.webs.com/YHVH_Murderer.htm

Nearly everyone familiar with UFO's and aliens, knows that the Greys and Reptilian races of ETs are have little if any emotions. Also, it is recorded in the Judeo/Christian Bible, when "Moses" asked to see "God's" face, the alien replied that no one could see him face to face [Exodus 33: 20-23]. Obviously, this being does not resemble a human being. This also includes the program of Islam where followers are forbidden to paint, draw or use images living characters in their art.

Many of us have seen Satan. He has nothing to hide. Satan and his Demons, [as well as some of the "angels" of the Christian Bible and their cohorts] are of the alien race known as "Nordics."

Aleister Crowley's "Illustrated Goetia" published by DuQuette, Hyatt and Wilson, second edition, © 2000, has numerous illustrations.

The illustrations of "Lucifuge Rofocal" and "Vassago" show beings with large bulbous heads. I have met with and I have seen Lucifuge Rofocal. He has a large bulbous head. He is obviously a hybrid of Grey. He is friendly and has emotion, as a hybrid mix is unique. Lilith told me Lucifuge Rofocal has been with them for over 10,000 years. Valefor also is a Grey-Nordic hybrid. He has the large head, with a greenish complexion. Clitheret who is a female is the same. I have never seen Vassago, but the illustration in the book supports what many of us have seen. There are some hybrid Greys who have sided with Satan, but as a rule, one should never trust any Greys, unless one knows for certain they are with Satan, as Greys are enemies of humanity.

Enemy Nordics are frequently seen accompanied by Greys. These Nordics are hostile to humanity. Azazel told me "they are abominable" [referring to the Greys, when I asked about them when communicating with him on a Ouija Board].

I strongly suggest those of you who are skeptics to read: "The Day After Roswell" by Colonel Philip J. Corso, US Army, retired © 1997. The author exposes the entire story, with names, dates, facts and documents released under the freedom of information act. He was personally in charge of the Roswell files under the Army Research and Development at the Pentagon directly under Lieutenant General Arthur G. Trudeau.

Corso explains the reality behind the "Cold War" where the USA and the USSR amassed nuclear weapons capable of destroying the Earth five times over. If either side employed these, mutual suicide for the entire planet would be the result. The truth is, both world powers were well aware of the alien threat, which in reality is a hostile one that threatens the life of everything and everyone on this planet. This is the reason human attempts to establish any meaningful contact with these entities have met with evasion.

Both the USA and USSR worked behind the scenes to develop defense technology, not to be used on each other, as the media falsely claimed to shape public opinion and to delude the masses, but to be used in defense of the Earth from a potential alien attack. This was also the main reason for the Apollo Moon Mission in 1969. This mission was not just space exploration. The Defense Department was interested in establishing a base on the Moon that would act as a reconnaissance post for the Earth. The large number of satellites orbiting the Earth also serve the same purpose, for that of protection.

The point is- we were successful in deterring them physically, but not psychically. Their strong telepathic influence is felt. The Christian religion and its cohorts provide these entities with the psychic energy they need. Close examination of the Roswell craft and the autopsies performed on the five Greys who piloted the delta shaped UFO revealed their parasitical nature.

The description of the entity called the "ALL" in the book "The Watchers" by Raymond E. Fowler, also supports the parasitical nature of these creatures that are mostly devoid of emotion and how they thrive on the energy of souls. These creatures have tampered with genetic engineering and alteration to where they no longer have any genitals and they cannot reproduce normally through sexual intercourse. They have also tampered with their brains and they lack emotions and physical strength. They are highly adept at telepathic communications, though. Their mouths are very atrophied as they no longer use them.

The examination of the alien craft revealed no controls, no on/off switches or visible circuits, only depressions shaped as the aliens' hands, like a hand print in wet cement outside of Mann's Chinese Theatre in Hollywood. These were where the aliens placed their hands, becoming an integrated part of the craft. They navigated the craft by using their own bioelectricity, powerful telepathy and telekinesis. The adjustable bands they placed on their heads to navigate the craft acted as thought amplifiers.

Army officers upon examining them, placed them in position on their heads and the devices induced vivid colors, hallucinations and resulted in "searing headaches." In addition, they found that these bands stimulated various areas of the brain.

In regards to nuclear bombs and this sort of advanced technology, it is the agenda of these human-hating aliens [they are behind the Christian and Muslim programs and the root of Judaism] for humanity to be annihilated through nuclear warfare. They have worked relentlessly to destroy the White Race that descended from Satan and the Original Pagan Gods when they took human sexual partners. Any advancement in civilization for humanity has resulted in alien Grey attempts to corrupt and destroy it.

The book "The Watchers" by Raymond E. Fowler is very revealing concerning the alien Grey involvement in the Christianity scam and exposes "The One."

Most people are unaware of the higher purpose of Satanism. The Earth has been the target of a soul farm.² Satan is the "Liberator of Humanity."

Christianity and its related programs are a hoax. Satan and his Demons are here to help us get out from under the position of being used as energy livestock in a slaughterhouse for alien consumption. The enemy Nordics who saw no use for humanity, following the completion of the mining project, [for more information about this, please click here] sought to follow a plan and have us all destroyed. The "Nephilim" that "took wives" and taught humanity, such as Azazel and Set, were banished, cursed and condemned.

[The above illustration depicts Set teaching a human how to use a bow and arrow].

We are dealing with entities that have extreme psychic power, very advanced technology, and superior knowledge and much more intelligence than we do. They don't age as we do, as they have both the knowledge and technology and some have modified their DNA. Satan is over half a million years old. One can only imagine that to continue learning, experiencing life and empowering one's self for even 1,000 years, the level of knowledge and ability that would be reached. Just combine that with extremely advanced technology to get an idea of where they are at.

For those of you who believe in spooks and are skeptic, I strongly suggest you read the above books, along with "Extra-Terrestrials Among Us" by George C. Andrews. "The Day After Roswell" reveals everything from the cover-up, to the promotion of yellow journalism stories to the real truth behind the "Star Wars" of the Regan Administration and some aspects of the "Cold War."

For many years, these spiritually ignorant and deluded New Age idiots have been whining repeatedly concerning the "sins" of humanity and how we are a threat to the universe with our nuclear weapons and our aggression, while all those extra-terrestrials are so goddamned pristine and wonderful. They claim the ETs spy on our military and weapons bases out of a "altruistic concern for all life in the universe" as we have become a threat to them resulting from our "sinful ways." WRONG.

These aliens have kept our defense systems under surveillance to see where we are at and just how vulnerable we are to a mass invasion. Top leaders of both the USA and Russia both know this. These aliens have continually and aggressively acted to prevent us from space exploration, jamming our launch vehicles, satellites, causing mechanical problems and even preventing a few from being thrust into orbit. They have acted to jam our signals with buzzing and other electronic intervention. They have been shooting across our radar detectors, creating blips and encouraging our air force to tail them, as they are testing the speed of our aircraft and our maneuverability. They want to know exactly where we are technologically. These Greys played cat and mouse games, and edged ever closer until there was a response. They have also attempted to disrupt worldwide communication and our defenses through electrical and magnetic field interference.

Their employment of night vision devices would have been an advantage. The US Defense Department now has these and many other military technologies that are a threat to them. The USA and Russia planned that in case of an alien attack, only half of the Earth would be sacrificed, if one nation was knocked out, the other could cover.

General Douglas McArthur remarked to the New York Times in 1955 that “the threat comes from out there.” “The nations of the world will have to unite for the next war will be an interplanetary war.”

I also want to add here that the alien Greys, who are controlled by the ET race known as “Reptilians” have their own people here who are working for them, many unknowingly, but they can be identified. Because of the programs of Christianity and Islam, psychic ability in the human populace has atrophied and become dormant. Those who have some of this ability have through the centuries been labeled as “witches” and have been heavily persecuted and many times tortured to death and mass-murdered. With psychic ability one can see there is a huge difference in souls. Not all souls are the same and with the “second sight” one can detect an enemy soul.

During the Second World War, alien spacecraft was prolific. Many air force fighters from both sides reported seeing them frequently. The Axis Powers vs. the Communist Powers. Never before in the history of humanity had war ever reached such a level. Christianity is a stepping off point and a preparation for communism. Satan lost a battle, but not the war. This is far from over.

An alien base was seen on the Moon by astronaut Neil Armstrong during the Apollo 11 fly-over and landing. Mercury 7 astronauts as have many others been tailed by UFO's. "They didn't just shadow or track our aircraft in orbit; they buzzed us and tried to create such havoc with our communications systems that NASA more than once had to rethink astronaut safety in the Mercury and Gemini

programs." The Apollo moon-landing program was ultimately abandoned because there was no way to protect our astronauts from alien threats.

"The alien spacecraft were also aggressively buzzing our frontline defenses in Eastern Europe, either looking for blind spots or weaknesses; probing our radar to see how quickly we responded." While never disclosing it publicly, military intelligence analysts supported the view that Earth was already under some form of probing attack by one or more alien cultures that were testing both our ability and resolve to defend ourselves."

"Our only successes in defending against them, back in the 1950's and 1960's, occurred when we were able to get a firm tracking radar lock. Then when we locked our targeting radars on, the signals that missiles were supposed to follow to the target, it somehow interfered with their navigational ability, and the vehicles flight became erratic. If we were especially fortunate and able to boost the signal before they broke away, we could actually bring them down. Sometimes we actually got lucky enough to score a hit with a missile before the UFO could take any evasive action, which an Army air defense battalion did with an anti-aircraft missile near Ramstein Air force base in Germany in May of 1974. The spacecraft managed to crash-land in a valley. The craft was retrieved and flown back to Nellis Air Force Base in Nevada. The Roswell crash was different. There was much speculation that it was a combination of the desert lightening storm and our persistent tracking radars at Alamogordo and the 509th that helped bring down the alien vehicle over the New Mexico desert in 1947."

As for the new age focus on love, love, love and three-fold baloney that only serves to promote and to further injustice, [which will eventually cause the collapse of civilization if it continues] and everything else that smacks of Christianity, renders those who are stupid and deluded enough to follow it, completely helpless. This also affects everyone else as a whole. The justice system is being rapidly destroyed. Slaves must tolerate abuse and injustice.

Truth be known, enemy souls here, of which most people cannot see, have been working to protect their own Greys.

Amdusias told the JoS Ministry in 2003:

"Just as the enemy has people who cannot see us, we cannot see them. However, they will manifest blatantly as we get closer to the climax of our cause."

They already have and for those of you who are new, Amdusias is one of the Original Pagan Gods, is a Friend of Humanity and is with Satan.

Satan and his Demons are trying to help us. Satan is the Liberator of Humanity. The Greys possess tremendous telepathic ability and the devices to amplify it. The Christian and related enemy programs are a fraud. People need to wake up to the truth before it is too late.

The "War in Heaven"

There was a "war in heaven" meaning outer space. Satan and the Elder Gods lost a battle in this war because they were outnumbered. In more advanced worlds, warfare is spiritual and involves the use of psychic energy and the soul. Satan and the Elder Gods were cursed by the ETs who hate and want to destroy humanity.

The enemy proceeded directly to Egypt, the center of spiritual knowledge and learning, following the destruction of Atlantis, and attacked the people therein. This was in an attempt to destroy the old religious order. Libraries were burned and decimated and places of knowledge, temples, schools and the like were burnt to the ground with the intentions of destroying all memories of the Elder Gods.

Pagan Priests and Priestesses were murdered en masse. The Judeo/Christian Bible emerged on the scene following this. The Bible was written to create and enforce a fictitious past and was infused with an incredible amount of psychic power so these lies would be believed. Human beings with spiritual gifts were labeled as "witches" and "heretics" and mass murdered along with their families, as this power is often hereditary. Those with spiritual abilities can see through the lies. In order for Christianity and its related programs to thrive and flourish, all spiritual knowledge must be replaced with the material. This is no different from communism, which fanatically removes anything spiritual. Truth be known, Christianity and its related programs, though discouraged, are allowed to operate under communist regimes, as there is very little if anything that is spiritual that remains in them, other than the holidays such as Xmas, which was stolen and corrupted from the Pagan Yule. These still hang on and this is why, ideally, communist regimes seek to remove the bible, as it still carries baggage in regards to corrupted and stolen spiritual concepts. For more information regarding this, please see The Stolen Year.

http://see_the_truth.webs.com/STOLEN_YEAR.htm

There is much evidence of blatant UFO activity. Paintings of Greys are in some of the temples and pyramids of Egypt.

As for Islam, the Nazarene's followers had not done a thorough enough job in working to destroy the past. Gabriel [who has been a frequent alien visitor to earth] with an agenda for the destruction of humanity, appeared to Mohammed and dictated the teachings of Islam. Gabriel instructed that

everyone was to be converted to Islam. This resulted in more bloodshed and slaughter, wars and misery than all of the political wars put together. The

Christians were taught to resist outside teachings and to be aware of false prophets. This served more than one purpose for the aliens. It not only damned people technologically and spiritually, but also incited mass murder and bloodshed resulting from the wars that ensued and one can be sure, these wars were psychically influenced by the aliens who controlled those who succumbed to their false teachings. We have strength in numbers against the enemy souls. That is why they work relentlessly to keep us divided in every way.

Luke 12:53

The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21

"Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death.

Matthew 10:35

For I have come to turn "a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law--

There is nothing at all spiritual with the above bible verses. There is nothing spiritual about the bible at all. It is only a powerful subliminal tool used to destroy humanity. Unknowing followers tie into this energy and through them and the mass mind, it becomes manifest. The Bible is the foundation of all suffering, misery and ugliness in the world. Here is more evidence of UFO activity as seen in ancient paintings of the Nazarene and his ilk.

People in Our Lives

We Satanists are a small group as far as numbers go, but we are growing more and more every day. Unfortunately, there are people in our lives who are thoroughly indoctrinated with Christian and other enemy teachings. Holidays, family reunions and other get-togethers can be trying times for many of us.

Christians feel strong when they are not alone and are in a group with other Christians to back them up, but when they experience a confrontation alone, few are brave. That so-called "faith" goes out the window. I have seen these people fold when they are on their own. They are so weak and dependent. More than one Christian has quit a job because of me. They create conflicts they can't handle. Most talk the talk and that's about it.

I was an atheist for over fifteen years. I hated Christianity and its teachings much more than the average atheist, though. My "blasphemies" would literally make people cringe. Several years ago when I worked third shift at a 24-hour restaurant, a wimp would come in and sit at the counter. One night this wimp butted in on a conversation between a LaVeyan Satanic teenager and myself that did not concern him. I gave him a piece of my mind and left, as my shift was over and then he shut up. As soon as I was out the door, [my son also worked there as a waiter] the Christian wimp approached him and started up about "God." My son shouted, "FUCK GOD!" The guy right away got scared, and very threatened.

Most Christians are weak, whether they are co-workers, family, or whatever. Rarely will you ever see one stand alone against several of us. Of course, when Christians are in a group against one person, many times the situation is different. I had three Christians threaten physical violence after they accosted me outside of a public library. I told them what I thought of their Nazarene. Of course, a heated verbal exchange ensued and all three kept parroting the same insane phrases repeatedly with no logical or rational argument. The only thing they had to offer was potential physical violence and nothing more. One of these clowns was a pastor. I found this out later when I recognized him on a TV commercial advertising his church. I refused to back down and when they saw the confrontation would lead to more, they left. I have argued with enough of them, leaving them with nothing to say every time. They start arguments they can't finish, as they have no answers.

Most of these Christians are going nowhere. Satan gives us strength they don't have. I look at them and see how weak most of them are, how they are needy and dependent on the approval of others. This sort of thing leads them to Christianity in the first place. Satan, by his nature walks alone. There is no petty ass-kissing or conforming to the "expectations" and standards of others. We are an elite group. We bow to no one. We have the power to tear them up and spit them out and they know it too.

Christians tell me they will pray for me, I tell them I will pray for them in return, and then they get worried. I've seen firsthand what has become of the fools who have been stupid enough to "pray" for me. Satan and the Demons punish those who harass us, not always right away, but just give it some time.

For those of whom we really care about and love, remembering them in our rituals can work wonders.

The Commandments of Satan

Satan dictated the Al Jilwah [Black Book of Satan] directly to Yezidi prophet Sheik Adi in the 12th century. The Al Jilwah is the most important doctrine in Satanism and every Satanist should be familiar with its teachings. I asked Satan if the Al Jilwah was from him and he confirmed that it was, and stated that the Muslims altered some of the Yezidi doctrines. I memorized the commandments some time ago, and they have always been of great help and comfort to me especially when I have experienced confusion.

"ALL MY TEACHINGS ARE EASILY APPLICABLE TO ALL TIMES AND ALL CONDITIONS."

"I TEACH AND GUIDE THOSE WHO FOLLOW MY INSTRUCTION."

"I EXERCISE DOMINION OVER ALL CREATURES AND OVER THE AFFAIRS OF ALL WHO ARE UNDER THE PROTECTION OF MY IMAGE.

I AM EVER PRESENT TO HELP ALL WHO TRUST IN ME AND CALL UPON ME IN TIME OF NEED."

"I ALLOW EVERYONE TO FOLLOW THE DICTATES OF HIS OWN NATURE, BUT HE THAT OPPOSES ME WILL REGRET IT SORELY."

"NO GOD HAS A RIGHT TO INTERFERE IN MY AFFAIRS AND I HAVE MADE IT AN IMPERATIVE RULE THAT EVERYONE SHALL REFRAIN FROM WORSHIPPING ALL GODS."

"WHEN TEMPTATION COMES, I GIVE MY COVENANT TO HIM THAT TRUSTS IN ME."

"I DO NOT ALLOW FRIENDLY ASSOCIATION WITH OTHER PEOPLE."

"NOR DO I DEPRIVE THEM THAT ARE MY OWN AND THAT OBEY ME OF ANYTHING THAT IS GOOD FOR THEM."

"I APPEAR IN DIVERSE MANNERS TO THOSE WHO ARE FAITHFUL AND UNDER MY COMMAND."

"I LEAD TO THE STRAIGHT PATH WITHOUT A REVEALED BOOK; I DIRECT ARIGHT MY BELOVED AND CHOSEN ONES BY UNSEEN MEANS."

"THREE THINGS ARE AGAINST ME AND I HATE THREE THINGS."

"THOSE WHO KEEP MY SECRETS SHALL RECEIVE THE FULFILLMENT OF MY PROMISES."

"IT IS MY DESIRE THAT ALL MY FOLLOWERS UNITE IN A BOND OF UNITY, LEST THOSE WHO ARE WITHOUT PREVAIL AGAINST THEM."

"REJECT ALL THE TEACHINGS AND SAYINGS OF SUCH AS ARE WITHOUT. I HAVE NOT TAUGHT THESE TEACHINGS, NOR DO THEY PROCEED FROM ME."

"HONOR MY SYMBOL AND IMAGE, FOR THEY REMIND YOU OF ME."

"I EXERCISE DOMINION OVER ALL CREATURES AND OVER THE AFFAIRS OF ALL WHO ARE UNDER THE PROTECTION OF MY IMAGE. I AM EVER PRESENT TO HELP ALL WHO TRUST IN ME AND CALL UPON ME IN TIME OF NEED."

Satan is always true to his word. Many of us are well aware of how our lives were straightened out after we made a commitment to Satan. He snaps us into line, guides us, and directs us to what we need to do to be focused and happy. When we dedicate our souls to him, we are always under his protection and he is always there for us. Satan has always been there for me. There were times when I was having problems and Father Satan came to me before I even had to ask and helped me out. It is very important to trust in Father Satan. He works with every one of us to establish trust. He is honest, truthful, and consistent and he keeps his word. He meets us more than half way.

"I ALLOW EVERYONE TO FOLLOW THE DICTATES OF HIS OWN NATURE, BUT HE THAT OPPOSES ME WILL REGRET IT SORELY."

Satan wants us all to be happy individuals. We are all free to indulge our fetishes, personal tastes, preferences, and so forth. This is one of the many reasons we are happier than most.

"NO GOD HAS A RIGHT TO INTERFERE IN MY AFFAIRS, AND I HAVE MADE IT AN IMPERATIVE RULE THAT EVERYONE SHALL REFRAIN FROM WORSHIPPING ALL GODS."

Those who worship other Gods end up confused and are open to all kinds of influences. It is important to stay focused. As Satanists, our God is Satan and there is no need to call upon other gods. Demons act as protectors and direct us to be strong in Satan. They can also act as mediators as they work with us closely, but we do not worship them. Satan does not demand or want any slavish worship.

"WHEN TEMPTATION COMES, I GIVE MY COVENANT TO HIM THAT TRUSTS IN ME."

Temptation usually comes in the form of fear. Some, mainly out of fear, have turned to the enemy. The enemy serves no purpose whatsoever in a happy life and should be avoided at all costs. The enemy has also tried to bribe dedicated

disciples of Satan or use material rewards. He rewards and places his affairs with those who remain strong and loyal to him.

"I DO NOT ALLOW FRIENDLY ASSOCIATION WITH OTHER PEOPLE."

As for associating with those who are without, how many times have we read about or have been direct recipients of problems with Christians alone? Most Christians will try to convert us, especially if they know we are Satanists. Very few if any, will have a live and let live attitude towards a known Satanist. Nearly all will pray for us and this invites psychic harassment that can be more than just annoying. As for hard core Muslims, their practice has been if they cannot convert someone, they resort to murder. Many Yezidis have been murdered en masse by Muslims. In addition, the enemy works through Christians, Muslims and Jews to create upsets and problems for us and this can be serious.

"NOR DO I DEPRIVE THEM THAT ARE MY OWN AND THAT OBEY ME OF ANYTHING THAT IS GOOD FOR THEM."

Satan knows each and every one of us intimately and what is in our best interests. Satan is our Creator God and he can see things we cannot. He can see if someone or something is bad for us or will do us harm. Trusting in him is very important, he has all of the facts; we don't. He also shows us through power meditation how we can obtain our desires.

"I APPEAR IN DIVERSE MANNERS TO THOSE WHO ARE FAITHFUL AND UNDER MY COMMAND."

Individuality is very important to Satan and he wants for each of us to grow and develop our own uniqueness. He wants us to be ourselves. All of us are very important to him in our own special way. With Satan, what one individual may experience, another may not and visa-versa. Over all, most of us have had many similar experiences, spiritual occurrences and have seen the same things.

"I LEAD TO THE STRAIGHT PATH WITHOUT A REVEALED BOOK; I DIRECT ARIGHT MY BELOVED AND CHOSEN ONES BY UNSEEN MEANS."

Satan comes to us. We don't have to spend our lives pouring over reams and reams of reading or other related material, trying to make sense of it, in an attempt to find "God." Satan interacts with every one of us in his own way. He guides each of us and directs us so we can have fulfilling and rewarding lives.

"THREE THINGS ARE AGAINST ME AND I HATE THREE THINGS."

These three things are the Christian trinity [which is false and a lie] and the three malignant programs of Judaism, Christianity and Islam. All three of these programs condemn and preach against Satan and replace him with their false "God." These three have told lie upon heinous lie about Satan and his Demons who are the original Gods. They have heaped untold suffering and misery upon humanity and the earth. They are our enemy!

"THOSE WHO KEEP MY SECRETS SHALL RECEIVE THE FULFILLMENT OF MY PROMISES."

Because Satan appears to us in diverse ways, he may reveal some of his secrets to us as individuals. We will know what they are. He has done things for me and has revealed things to me. There are certain secrets he has entrusted to me to keep to myself. Remember, Satan treats us all as individuals. Keeping his secrets is very important. If you are ever in doubt concerning whether or not to reveal something, just ask Satan and he will either tell you or you will receive a sign from him.

"IT IS MY DESIRE THAT ALL MY FOLLOWERS UNITE IN A BOND OF UNITY, LEST THOSE WHO ARE WITHOUT PREVAIL AGAINST THEM."

Satan wants all of his people to work together and unite. We must put aside our personal differences and work together as a team. The Christian "God" and company work to create conflict, discord, and division among Satanists, as do enemy souls who call themselves "Satanists" but who really aren't:

Mark 3: 26 And if Satan rise up against himself, and be divided, he cannot stand, but hath an end.

Unity is of paramount importance, "One Alone, Together Strong." Satan does not approve of infighting between his people. Those who experience conflicts with a brother or sister in Satan should go to Satan concerning this and he will handle the situation. Those who throw curses at or slander other Satanists will invite the wrath of Beelzebub. Beelzebub handles those who create problems and disunity and the consequences can be quite unpleasant.

"REJECT ALL THE TEACHINGS AND SAYINGS OF SUCH AS ARE WITHOUT. I HAVE NOT TAUGHT THESE TEACHINGS, NOR DO THEY PROCEED FROM ME."

As for rejecting the teachings and sayings of such as are without, the saying "Garbage in; Garbage out," describes this perfectly. One only needs to look at the Christians, Muslims, and related company to see how lost and unbalanced they are spiritually. Beneath the Christian smiley mask, there is misery inside, regardless of how they may try to deny it and lie. The teachings of Christians, Jews, Muslims, and those of other related programs are anti-life, devoid of any true spirituality and lead their adherents down the path of spiritual degeneracy, lies, loss, confusion and eventually, depravity.

"O YEA THAT HAVE BELIEVED IN ME, HONOR MY SYMBOL AND MY IMAGE, FOR THEY REMIND YOU OF ME."

When I was new to Satanism, I was reading Anton LaVey's Satanic Bible. At the time, I had hardly any furniture and I would line my books up against the wall, on the floor. I did this with my Satanic Bible. Something would not let me go to sleep and kept on nagging at me to get the Satanic Bible up off the floor. I got up and put it on a shelf in my closet. Since then, I purchased several bookcases. We

must ALWAYS treat sacred books, jewelry, or anything else that symbolizes Father Satan with the greatest care and respect.

Islam

Islam is an offshoot of Christianity. This religion has brought untold suffering, wars, and misery upon the human race. Upon close examination, we find the same nefarious alien characters. The Christian angel "Gabriel," appeared to Mohammed and heaped on more of these anti-life teachings in the form of "Islam," designed to further enslave humanity and to create more conflicts and wars.

In contrast, Satan's angels, the Demons, teach and help humanity [if they are treated respectfully]. "You will know them by their works." In other words, don't believe what you are told to believe, see what they DO, NOT what they SAY.

Women are treated lower than animals in Islamic countries. I recall seeing a most horrendous photo of a small woman in Yemen with a tow truck chain pounded through her arm. Her "crime" was that she ran away from her abusive Islamic husband and was caught.

Afghani women have to wear heavy garb covering their entire bodies. They look out of a little net. If they accidentally expose any skin, they are beaten with clubs by Islamic men.

Islamic women must walk three feet behind their husbands on the streets. Only in times of war are they forced to walk three feet in front as there are land mines.

Islamic women eat the leavings from the dinner plates of their husbands and any men guests their husbands have in their homes. They are treated lower than dogs.

It is no wonder these people are so eager to kill themselves through suicide bombings. What kind of life is this? To treat significant others so heinously under the direction of a blood thirsty monster they call "Allah." They get to where they have to blow themselves up- where is this "Allah"?

Music: Satan's Gift to Humanity

"The Devil has always had the best tunes." This has been known for centuries. Along with literature, theatre, and art, the Christian Church has always regarded music with great suspicion, when it wasn't completely under their strict and oppressive control.

Satan is master of the violin and flute. 18th century Italian composer Giuseppe Tartini was inspired when Satan appeared to him in a dream. He heard Satan playing the violin. He said it was the most beautiful music he had ever heard. It was "indescribably beautiful." He immediately awoke and tried to write it down to copy it, but it never turned out the same way. He did the best he could to duplicate it, and he published it and named it "The Devil's Trill."

19th century violinist Niccolò Paganini came under intense suspicion of "collaborating with the Devil." In other words, no one could write or play anything so beautiful without help from Satan. Here the Christian church indirectly admits that the beauty of Satan outshines what they worship.

Modest Mussorgsky composed "A Night on Bald Mountain." The music portrayed a witches' sabbat. In the original piece, Satan reigned triumphant at the climax, but this was too much for Mussorgsky's Christian contemporaries. Nikolai Rimsky-Korsakov revised it, ending the piece with the ringing of a church bell.

Satan also inspired Carl Orff in his dreams when he wrote "Carmina Burana." This music is best known from the soundtrack of the movie, "The Omen." Orff told his wife that he saw Demons many times in his dreams when he composed the music.

Jazz is synonymous with Satan. The rhythmic beat, the dances the music inspires, and of course, it opened the door to rock and roll.

Music has always been a great friend to humanity. Music is a tension reliever, as it relaxes the left [logical] side of the brain so that the creative right side can manifest itself in new ideas and solutions to things, in the same way meditation helps us. Satan can speak to us through the music. Music makes many activities more pleasant. Work becomes easier, a fast beat can get one going, a soothing beat can calm one's mood, and sexual intercourse to music can be blissful.

William Blake once stated that all true poetry was the "work of the Devil." Satan inspires creativity. He works to bring out creativity in all of his disciples. With Satan, we learn and grow as individuals. Each one of us is unique.

The enemy wants everyone to be clones, drones and drabs with no individuality. Enemy programs desecrate and kill the human spirit, while they enslave the soul. Satan stands for freedom and individuality.

"Evil"

There are people who talk the talk and want to play at being "bad" and "evil." These people are intent on going on about how "evil" Satan is, yet they don't know him, nor do they have any idea of what real Satanism is. Their ideas of so-called evil are nothing more than cultural concepts. Few have understanding of the meaning of the word "evil" and are simplistic in their thinking. Satan transcends "good" and "evil." What is perceived as "evil" in one culture may be considered favorable in another.

These individuals firmly adhere to the Christian teachings concerning Satan. Deep down, they are really Christians, not Satanists, as they follow the teachings of Christianity. They rigidly live their lives according to their own specific cultural taboos. True Satanism is freedom, Satanism is not living according to the restrictions of the Christian teachings of what is *supposed* to be evil. People who are deceived into believing Satan is evil lack perspective and understanding.

Satanism is deep, transforming spirituality that transcends the human concepts of good and evil. People who are hung up on Halloween, the boogey man, spooks, corpses and monsters have no understanding of Satan or true Satanism.

In order to be free, one must deprogram one's mind. Only when one is able to see life through one's own eyes, can one ascend to a higher level of understanding. Too many people are still carrying around the values society has programmed into them rather than seeing things through their own eyes and being their own person.

When we give our souls to Satan [for those of us who choose to do this], a door is opened. This is a major step beyond the conformity that has been heaped upon us by society. This is where we transcend the black and white simplistic thinking and begin to see things through our own eyes.

Life in the Fast Lane

Most people, especially here in the USA, live life in the fast lane; fast food, high-speed cable, quick service, "I want it five minutes ago" and so forth.

The spirit world does not work like this. I have to keep re-emphasizing: PATIENCE, PERSEVERANCE, and DEDICATION.

I didn't see Demons or communicate with them until several months following my dedication ritual. I remember seeing Furackus and Elyth on my altar. This was some six months or more after my dedication. I didn't meet Azazel until nearly three months following seeing these two Demons. Azazel is my Chief Guardian Demon and I am very close to him. I never knew Lucifuge Rofocal was one of my Guardians either. He has a unique voice and slight accent. I remember he spoke to me when I was new, but I had no idea of who he was other than he was a Demon.

Satan is strong on patience. He and his Demons have waited thousands of years for humanity. One does not just perform a ritual and here comes the Demon at the snap of ones fingers. Relationships are built up slowly, with patience, perseverance, and dedication.

Last night, I heard the song "My Sweet Lord" by ex-Beatle George Harrison on the radio. The focus of this song was "Lord Krishna" A.C. Bhaktivedanta Swami Prabhupada. Many extremely wealthy and famous people have searched and searched for answers to the meaning of life. Harrison, in spite of his millions was not given any priority by Krishna Guru A.C. Bhaktivedanta Swami Prabhupada, thus the song.

This is nothing new, as many people are lost. Satan gives us knowledge and understanding. I know more now than I ever thought possible. This knowledge makes me feel secure, even though there is much more for me to learn. Knowledge itself is infinite.

Knowledge is the key to everything. Understanding life and feeling confident along with a sense of direction, is very important for both personal and spiritual advancement. Many yogis, martial artists and others have power, but they do not have the knowledge concerning how to use it. Without the knowledge, it is useless in many areas except for walking on hot coals like fakirs or breaking boards and bricks.

Satan guides us to grow in power and shows us how we can use this power and be the best we can be. Most people do not have any spiritual answers. Life becomes confusing and meaningless. Depression, drug and alcohol abuse, confusion, insecurity and apathy are the condition of many, regardless of material wealth and fame.

Satan is the giver of knowledge. We learn when we are ready. I have found Demons are the best teachers. What they can teach us is way beyond that of what any human knows. Time and patience are needed. We learn as we go along, are ready, and are open. Satan and his Demons are always there with answers to our questions and to help and guide us.
